Congratulations

It is with a great deal of pride that we extend our congratulations to two outstanding individuals who have been recognised in the Kings Birthday Honours – both gentlemen receiving the Medal of the Order of Australia (OAM) for service to surf lifesaving.

David Torevell OAM

David Torevell OAM has been awarded the Medal of the Order of Australia in recognition of his outstanding contribution to surf lifesaving and the community. David's service spans over 35 years of leadership, education and hands on commitment to keeping our beaches safe. His passion for developing others, strengthening club capability and upholding the highest standards of surf lifesaving practice has made a profound impact. This honour reflects the enormous value of his work and the gratitude of the entire surf lifesaving community for his unwavering dedication.

Don "Bullet" Henderson OAM

Don "Bullet" Henderson OAM has been recognised in the King's Birthday Honours for his exceptional and lifelong service to surf lifesaving for over 75 years. He was a Freshwater SLSC member from 1951-1961. A much loved figure within the broader community, Bullet embodies the spirit of dedication, humility and mateship that defines our movement. His decades of commitment — on the beach, in training, mentoring younger members and supporting the operational strength of the club — have left a lasting legacy. This honour acknowledges not only his service, but the deep respect and admiration he has earned across generations of lifesavers. He has been a Life Member of SLS South Australia since 2006 belonging to a number of clubs in his local community.

James Coates Life Member No 65 - Freshwater SLSC

At the 2024/2025 Annual General Meeting, the membership bestowed Life Membership to James Coates.

James joined the senior Club in October 1986 as a cadet having been a nipper for 6 years prior and has maintained continuous membership of the Club to date.

James was Club Captain in 2000 and 2001 and was Director Sports for the 2022/2023 and 2023/2024 seasons. He has been the Club's Surf Sports coach for the past few seasons but his involvement in a coaching and mentoring capacity stretches back as far as 2001 when he gained his Level 1 coaching certificate.

He has been significantly involved in the IRB area for the better part of 20 years in training/assessing, patrolling, proficiencies and competition support. The Sydney Northern Beaches branch recognized his efforts in 2024 with an Outstanding Service Award. He has been a member of the senior IRB organizing group for several years.

He has assisted and contributed to this area of club operation in a variety of ways, particularly in relation to the conduct of club carnivals. He has for the most part taken on the responsibility of setting the buoys for carnivals and club events such as the annual Barney Mullins swim.

He has been a regular competitor over this period and this season won gold in the 170 Year Old Surf Team. He has had a long and consistent contribution to Club activities and has gone above and beyond what the average member has done over a sustained period and is still to this day very active in his support.

James' selfless attitude towards supporting all areas of the Club is beyond reproach. In many instances he has sacrificed his own personal training and development for the betterment of other club members especially those in the junior and cadet ranks.

Vale

The Club acknowledges the passing of the following members and former members during the past season;

Edward (Ted) Wise

member from 1982 to 1992 and then again from 1996 to 1998, when he retired to the Tweed Heads area. On joining, he soon established himself as an excellent R&R coach and march past competitor. He was also a member of the club committee for 3 years. As a member of the club's march past team, he competed successfully in many carnivals. Including with the 1986 squad which won a clean sweep of the Branch, Metropolitan, State and Australian Championships!

Ted also represented Australia on an instructional tour to other countries including Japan and the Philippines!

Ian McIlwraith -
member from 1951 to 1958,
State March Past Champion 1952

Jeff Ludlow -
member from 1991 to 2005

Harry Loudon -
member from 1966 to 1970,
Chief Instructor

President's Report

It is with great pleasure that, on behalf of the Executive Committee, we present the 117th Annual Report. It has been a season like no other. The season was marked by horrific shark attacks, terrorist events in Bondi, unusually frequent storm activity providing huge and dangerous surf and yet we pulled together as a club to get through it and support others in need. I couldn't be prouder of what we achieved and who we are.

In my first season serving as President, I have been so impressed with the dedication of members in fulfilling their roles. As the front line of activity, I especially commend our wonderful patrol teams. Also great to see the up-and-coming younger SRC's who have really stepped up to the plate and contributed well to our patrols. For the co-ordination and commitment from our Club Captain, David Price a special mention – David was an ever-present figure leading our teams on the beach and in his spare time, guarding the headlands in the jet ski as the ever-present threat of bull sharks darkened out waters.

Our Education Team stepped up 120% as they ensured all our active members were trained in the new CPR procedure. I know this was a challenge for all our clubs and again I can say how proud I was that this was diligently executed by Kelly Dobrow and her team. They also instigated the Nipper parent water safety program that enabled our nippers to have sufficient water safety throughout the season.

I so enjoyed engaging with our Nippers and our U14's as they graduated onto patrols as SRC's. What an impressive group of young people – our future leaders in the making.

I could not have navigated this season without the support of our Executive Officer, Richard Hawtin. Richard was a steady hand and a quiet force at my side and in support of the Executive Committee. I cannot thank Richard enough and sadly accepted his decision to stand down next season, knowing that he will be there in different capacities. Richard's dedication to the club has been above and beyond. As well as all that Richard has done, together with the Governance Panel, have drafted the updated Club constitution as a mandated refresh that says it needs to be reviewed at least every 10 years. These updates will be presented to the members for ratification at the AGM.

Our Finance Director and Treasurer, Michael Rees-Evans has ensured we have transparent financial records and remain solvent. Michael has also instigated the implementation of a new accounting platform, Xero, which should be easier to manage.

The Junior Activities Committee (JAC) have done an amazing job this year. We had 790 nippers across all ages. Our Nipper Chairperson, Toni Cadden contributed to a very dedicated team. It takes a coordinated and concerted effort to deliver on the many facets of nipper Sundays, training sessions, carnivals and social events. Our nippers were ever present at carnivals and did exceptionally well, with a great note of thanks to the coaches, age managers and our very involved parents – many thanks for a great season. I look forward to welcoming the U14's to our Youth Programs and of course, their parents who I encourage to come and train with the Master's to build skills in the surf and beach and ultimately to serve our community. Toni will be stepping down from her role as JAC Chair and we thank her for her contribution throughout the year.

And to Kimberley Dales who has managed and worked with our sponsors so well. This work is so critical to the success of the club – not only financial, but in building our brand and relationships with our communities.

Our General Committee/Director position has been held by Joshua Orr with a focus on Youth. Josh has done an outstanding job developing our U14's and our Youth teams. The weekend Youth Programs have been sensational and so well run. Great to see the support of the many young people and parents who have contributed to the weekends, get aways and training and coaching. Josh has shown great leadership and is a terrific role model as well.

We are blessed to have Mark Gilbert and Andrea Bohm as our Chaplains. For their support and wise words, many thanks. And to their courage in working with those affected by the Bondi attack, we thank you. To those impacted by this terrible event that happened at Bondi beach, we are all so supportive, especially to the Bondi patrol members who assisted in what must have been a horrific experience.

As you will see in the carnival results from our Sports Director's report, Freshwater has had a great season of competition. Ian 'Crash' Cradock has quietly steered the sports captains who have equally managed their teams well. Our haul of Masters Aussies medals was the best outcome seen in the club's history. Outstanding amongst these results were the 3 Aussie Golds from the Male and Female Reserve and Masters Boat Boat crews – all of them coached and swept by Nathan Perry. It has been over 20 years since our last Aussie gold in boats and I congratulate them all for the dedication they have shown their sport.

Our social activities have gone from strength

to strength under the leadership of our Member Services Director, Carla Davies. Freshie on Friday's is bringing a good cross section of our membership to the events. Very pleasing to see nipper parents, patrolling members, masters, youth and our life members socialising and engaging well. Good also to see member guests enjoy our beautiful club house and extend our friendships.

Our Facilities Director, Michael Kirkby has implemented a number valuable initiatives around the management of the facilities and gym with QR codes enabling members to notify issues and give valuable feedback on all things building. With our Development Application now on countdown, we are actively taking steps to raise the funds for the build. This is not a straightforward task and we will be developing key strategies to build the club's profile to ensure our club is a suitable candidate for fund raising through a number of key channels.

Thanks also to the panels who support the decisions of the Executive Committee presenting well considered and analysed results for awards, good governance and financial stability.

To our volunteer Officials – your efforts enabled us to compete as did the water safety, jet ski and IRB drivers, many thanks – we literally couldn't compete without you.

In the background and more precisely, behind the bar, Dave Inches has been a great advocate for the club, running the bar for internal and external functions – always with a smile and great Dad joke and to Ross Parry for running the Club swim each Sunday, many thanks for your calm presence and ability to ignore our requests for changes to our handicaps!

To the House of Lords, thanks for the encouragement and stories of the old days – priceless!

I signed on for this role to make a difference. My key objectives were Community – Youth – Inclusion. Freshwater is committed to lifesaving excellence and community safety. We plan to be an inclusive, welcoming club for all ages and abilities, whilst investing in youth leadership and development. Through all of this, we honour our heritage while building a future-ready, sustainable club. The goal is that the redevelopment of the club will strengthen our ability to serve the community for decades to come.

To the support we received from Surf Life Saving Australia, Surf Life Saving NSW and Sydney Northern Beaches as well as their sponsors a massive thank you. Also to acknowledge our Patrons, Peter Sinclair, Michael Reagan MP, James Griffin MP and Mayor Sue Heins – many thanks on behalf of our members for your support.

Shanny Dyer
Club President

Executive Officer's Report

It was my pleasure to be re-elected Executive Officer at the June 2025 AGM for 2025/2026 Season. This season, continued to provide an opportunity for the Club to approach tasks in a dynamic manner in order to remind, refresh, stimulate and retain club members of the opportunities that being a member of Freshwater SLSC provides. A considerable part of the Season, when it is at its busiest, was focussed on the local increased shark activity with incidents at Dee Why and North Steyne being very close to home.

A key initiative this Season was the updating of the Club Constitution. A draft of the updated document was issued to Club Members at the end of March and feedback through a series of sessions where the ExO and members of the Governance Panel were available to answer any questions were undertaken. Post this a "final" draft was issued to the membership in mid-May for any further comments before being presented at the Annual General Meeting (AGM) at the end of June 2026 for endorsement by the Members.

The Season also saw a refresh of the Club website to improve the flexibility and ease to add new and relevant content as it arises.

Also with the Building DA being approved, planning commenced with the formation of the Freshwater Surf Club Building Renewal Project Panel with its purpose being to provide strategic oversight, guidance, and governance for the fund raising, planning, detail design, and delivery of the building renewal project. The Panel will ensure that the project aligns with the Club's vision, meets the needs of all its members, supports the broader community, and is delivered on time, within scope, and within budget. Towards the end of the Season the Club contracted Freshwater Strategy to

develop a communications strategy and a fundraising strategy for the project.

During the year a General Meeting was held on the 7th December 2025 with the aim of communicating to our membership the implemented and proposed initiatives for not only this season but looking forward to 2027 and onwards. Presentations were made by the President, and the portfolios of, Captain and Executive Officer. Further comments were also provided by the Executive Committee members in attendance.

Membership

This season saw a slight increase in Club membership. Our Nipper intake was very healthy with nearly 800 registrations, a slight increase on last season. Our active patrolling numbers held steady for the Season and requires continuous management, many thanks to David Price (Club Captain) for taking approaches to ensuring attendance of patrolling members at the beach.

The table below highlights the 2025/2026 membership numbers and categories for the season based on the reporting system used in previous seasons.

Executive Committee

At the 2025 Annual General Meeting, a new President was elected, the first female for our proud Club. Additionally there were several other new members elected to positions on this season's Executive Committee – Ian Cradock (Director of Sport), Toni Cadden (Junior Activities) and Derry Cosgrove (Sponsorship). Other existing Executive Members retained their positions.

In August 2025 Derry Cosgrove resigned from his position due to work commitments and Kimberley Dales was appointed to the Director of Sponsorship role from 20th August 2025.

Club Governance

In accordance with the Constitution, existing By-Laws were reviewed by the Club's Governance Panel during the August – September period to confirm their ongoing relevance. All proposed changes to the By-Laws were approved by the Executive Committee without dissent.

It should be noted the formation of a new Panel to focus on the provision of strategic oversight, guidance, and governance for the fund raising, planning, detail design, and delivery of the building renewal project and this first met in July 2025 and was incorporated into the By-Laws during this period.

A summary of the By-Laws currently in force together with amendments made during the course of the year is set out in the following tables.

As part of the overall Club governance arrangements, the following panels were approved to operate throughout the season by the Executive Committee.

Governance Panel –

Richard Hawtin, David Price, Ian Cradock, Toni Cadden, Simon Phin, Michael Kirkby, and Wayne Freakley.

Honours Panel –

Stephen Bennett, Janet Rickard, David Olsen, Wayne Freakley and Michael Kirkby.

Surf Sports Panel –

Ian Cradock, Lindsay Davis, Tom Duffy, Seb Di Sano, Ross Parry, Tristan Kavanagh, Andrew McMinn, Gaven Needham, Joshua Orr and James Coates.

History Panel –

Wayne Freakley, Ross Parry, Dave Inches, Stephen Bennett, David Olsen and Eric Middledorp

Building Renewal Project Panel -

Michael Kirkby, Stephen Bennett, Michael Bate, Andrew Murphy, Shanny Dyer and Toni Cadden.

Building Panel –

Michael Kirkby, Stephen Bennett, Linda Wiadrowski, Andrew Reed, Jamie Scott, and Maurice Mandalinic.

Finance Panel –

Michael Rees-Evans, Stephen Bennett, Andrew De Vries, Michael Raymer and Michael Bate.

Awards Panel –

Dave Inches, Bill Smith, Jacinta Butler, Eloise Parker, Stephen Bennett

Social Panel –

Shanny Dyer, Carla Davies, Bree Coates, Kirra Budd, Ollie Ludgate, Harry Parker, Kelly Marsh

Youth Panel –

Sammy Lever, Kirra Budd, Grace Hardy, Emily Isaacs, Harry Parker, Piper Branchley, Harrison Burrough

Club Governance

Club Office Staff

This season saw Carla Thornton perform the role of Surf Club Administrator for the Season. The Surf Club Administrator is the key public and Member contact and is responsible for office management, membership registration, communication, facilities, shop management, accounts and liaising closely with the club's caretakers and event and functions administrator.

Carla has also taken a more active role in the "book keeping" side of the finances of the Club in support of the Finance Director and undertook a TAFE course Advanced Certificate in Xero to assist in this work.

The role of Functions Administrator continued to be performed by Bree Coates and I thank her for her liaison with the hirers of the Club facilities.

Finally thanks to Jamie and Tracy Scott as Club caretakers. The Club thanks them for all their hard work and attention to detail around the club. The building has been kept clean and presentable throughout the season, and Jamie's measured and consistent approach has successfully managed any issues thrown at him.

Thank You

The Executive Officer role provides a vital role in the provision of administrative support across the spectrum of Club activities. It is a demanding position and relies heavily on the support of a broader team and especially the Surf Club Administrator (SCA) to effectively fulfil its role.

In that regard a huge thank you to Carla Thornton throughout the season. During the season the update to the Club website was finalised and a review of the Club IT System was commenced to confirm it is meeting requirements.

Thank you also to Dave Inches for performing the role of Bar Operations Manager and Bree Coates for their support to the Functions role. Also, to Tim Hollingsworth and Scott Carpenter and Simon King for taking on Gym and BBQ / Catering Coordinator management responsibilities.

Thank you also to our caretakers Jamie and Tracy Scott. There has always been a close

working relationship between the office staff and the caretaker and the Scott family have provided tremendous support throughout the season. The Club is pleased to advise they have agreed to continue in this role for the 2026/2027 season.

Finally, a big thank you to you the Members for all the support you have shown me over the four(4) years I have been in the role of Executive Officer. It is time for another person to step into this role and bring some new thoughts and skills into the running of the Club as I will not be nominating for the role next Season (2026/2027).

Executive Committee Members: Season 2025/2026

Director Youth Services	Josh Orr	11	1

A summary of the By-Laws currently in force together with amendments made during the course of the year is set out in the below table.

No.	Title	Amendment
By-Law 1	Patrols	Minor administration change
By-Law 2	Funding Assistance Program	Cl 2 amended to include supporting evidence; new subclause 5.(h) adding Club values statement..
By-Law 3	Use and allocation of craft	New subclause 9.(f) adding Club values statement and inclusion of new Cl 10 in the terms and conditions for Craft allocation.
By-Law 4	Club Blazer	New subclauses 6.(a) and (b) clarifying wording around the awarding of the blazer..
By-Law 5	Club Championships	Cl.3 removal of sub-clause (d), Cl.5 addition of World Championships as a qualifying event, cl.5 (f) addition of agreement of Executive Committee.
By-Law 6	Photographs & Club Honour Boards	Nil change
By-Law 7	Competition Prize Money & Prizes	Minor administration change
By-Law 8	Procedures for Meetings	Minor administration change
By-Law 9	Membership Criteria and Fees	Minor admin and deletion of clause 28 – no levy for late fee payments.
By-Law 10	Club Awards and other forms of Member Recognition	Cl 38, addition of Patrol Captain award
By-Law 11	Club Officers and other positions	"New cl 22, addition of Building Renewal Project Panel; Annexure 2, Director of Finance cl 32 additional wording to make available on the Club website prior to the AGM the Auditor approved financial records."
By-Law 12	Junior Activities	Cl 1 addition of Child Safe Coordinator role
By-Law 13	Code of Conduct	Nil change
By-Law 14	Use of Club Premises	Minor admin changes and inclusion of new Annexure 3 for Close Circuit Television (CCTV);

Finance Report

I am pleased to report another good financial result for the club. For this we owe thanks to our members, sponsors and donors for continued generous support and involvement in the club.

We have enhanced this year's financial statements by including an expanded Profit and Loss in the additional notes section for those wanting the detail underlying the grouped figures on the face of the Statement of Profit and Loss.

The **Key Numbers** table comparing this year with the last four shows pleasing surplus income of \$62,657 after an increase in non-cash depreciation of \$76,435.

Profit and Loss

Income overall decreased 1.4% by \$9,787 with a notable decrease of \$41,764 from Events and Carnivals due to shark-related beach closures offsetting the \$38,592 increase in Donations and Sponsorships - chiefly due to a major sponsor paying two years' agreed amounts this financial year, catching up on a previous year, and accounting standards makes us recognise in the year received.

Club trading of \$240k was down \$19k with the notes breakdown showing no single reason - slight reductions in hall hire, members services and senior member subscription income offset slight increase in income from club clothing and the kiosk.

The club continues to be heavily reliant on Sponsorships, Donations and Grants to support our mission: "To ensure no lives are lost while on patrol, assist members to achieve their full potential and support the community" and I reiterate the thanks given elsewhere in this report to our generous sponsors, donors and supporters for their ongoing support.

Key Numbers \$'000	FY26	FY25	FY24	FY23	FY22
Income	673	682	651	620	545
Expenses	610	640	580	578	551
Surplus (Deficit)	63	42	71	42	(6)
Cash at Bank	911	759	656	563	597
Membership					
Seniors	448	449	459	464	545
Juniors (incl general)	1,542	1,515	1,198	985	844
Total	1,990	1,964	1,657	1,449	1,389

Expenses overall decreased 4.7% by due to a \$51,805 reduction in Building Services Expenses after last year's final DA amount.

Administration rose \$12k to \$114k with the detail in the additional notes showing increases in audit and accounting (including accounting system migration), computer expenses (including refresh of website and shop stock system, which should provide future savings) and water, offsetting a reduction in electricity and gas (from our new plan). It remains uneconomic to install solar panels with batteries until after the re-development, but we continue to monitor this fast-changing areas in terms of the grants available.

Club trading expense increase of \$28,662 chiefly results from efforts to clear out old stock in the shop, which has been rising steadily over time. Next season we're piloting a pre-ordering system for senior members and will be trying to sell off remaining old stock at deep discount at the start of the next season.

Balance Sheet

The club's cash increased 20% by \$152,244 over the year, with note 5 to the accounts

showing more detail. We hold \$790,107 across term deposits, generally 9-12 months each, with one maturing every 3 months to balance liquidity and better interest.

Equipment cost increased 8% by \$31k to replace ageing equipment including IRB engines and buying our first UAV (drone). Next season we plan to replace the SSV (ATV) and Patrol Trailer.

The following audited accounts provide further details for the year ending 30 April 2026.

For any questions not addressed in this report or the audited accounts, please feel free to email me at: treasurer@freshwaterslsc.com

I look forward to seeing you at the beach or club over the next year.

Finally, as this is my third year of presenting the accounts and while standing for re-election at the AGM to serve for the next year, it is time to plan for the next Treasurer.

Please contact me if you would like to learn more.

Kimberly Dales	Director of Sponsorship & Marketing (resigned 29 June 2025, appointed 20 August 2025)
Derry Cosgrove	Director of Sponsorship & Marketing (appointed 29 June 2025, resigned 20 August 2025)
Michael Kirkby	Director of Facilities

Directors form the Committee of the Club and have been in office to the date of this report unless otherwise stated.

Principal activities and significant changes in nature of activities

The principal activities of Freshwater Surf Life Saving Club Inc during the financial year were to provide surf lifesaving services.

There were no significant changes in Freshwater Surf Life Saving Club Inc's principal activities during the financial year.

Review of operations

Total revenue and other income decreased by \$9,787 chiefly due to cancelling some carnivals due to shark activity, offset by increased sponsorships owing to one sponsor paying for two financial years in the current year.

Costs decreased by \$29,998 chiefly due to reduction in Building Services expenses after prior year's large and unusual cost to finalise the Development Application. Overall, the Club recorded a net surplus of \$62,657 in 2026 (2025: \$42,446).

Net assets increased by \$62,657 (2025: \$77,899) from the operating surplus and net cash position increase by \$152,244 to \$911,411 (2025: increased by \$102,962 to \$759,167). More details are provided in the annual report.

Matters or circumstances arising after the end of the year

No matters or circumstances have arisen since the end of the financial year which significantly affected or could significantly affect the operations of the Club, the results of those operations or the state of affairs of the Club's in future financial years.

Indemnification and insurance of officers and auditors

No indemnities have been given or insurance premiums paid, during or since the end of the financial year, for any person who is or has been an officer or auditor of Insurance Advisernet Australia Foundation.

Directors' Report
30 April 2026

Environmental Regulations

The Trust's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a state or territory.

Auditor's independence declaration

The lead auditor's independence declaration in accordance with Section 60.40 of The Australian Charities and Not-For-Profits Commission Act 2012 for the year ended 30 June 2026 has been received and can be found on page 3 of the financial report.

Signed in accordance with a resolution of the Board of Directors:

Director:
Shanny Dyer

Director:
Michael Rees-Evans

Dated this 11 June 2026

AUDITOR'S INDEPENDENCE DECLARATION
UNDER SECTION 60.40 OF THE AUSTRALIAN CHARITIES AND NOT-FOR-PROFITS COMMISSION ACT 2012
TO THE DIRECTORS OF FRESHWATER SURF LIFE SAVING CLUB INC

As auditor of Freshwater Surf Life Saving Club for the year ended 30 April 2026, I declare that, to the best of my knowledge and belief, there have been no contraventions of any applicable code of professional conduct in relation to the audit.

LNP Audit and Assurance Pty Ltd

Notes to the Financial Statements

For the Year Ended 30 April 2026

The financial report covers Freshwater Surf Life Saving Club Inc (the Club) as an individual entity. Freshwater Surf Life Saving Club Inc is an incorporated association, a not-for-profit Club, that is registered and domiciled in Australia.

The principal activities of the Club for the year ended 30 April 2026 were providing surf lifesaving services.

The functional and presentation currency of Freshwater Surf Life Saving Club Inc is Australian dollars.

The financial report was authorised for issue by those charged with governance on 11 June 2026.

1 Basis of Preparation

The financial statements are general purpose financial statements that comply with Australian Accounting Standards – Simplified Disclosures and the Australian Charities and Not for profits Commission Act 2012. These financial statements also comply with the Charitable Fundraising Act 1991 (NSW).

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

New and Amended Standards Adopted

The Club has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted. The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the Club

2 Summary of Material Accounting Policies

(a) Income Tax

The Club is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

(b) Inventories

Inventories are carried at the lower of cost and net realisable value. Write downs of inventory to net realisable values are recognised in the statement of profit or loss and other comprehensive income.

(c) Revenue and other income

Revenue is measured at the fair value of the consideration received or receivable. Principal revenue streams are recognised as follows:

Membership fees

Fees are recognised when payments are received. Membership is not granted or renewed until subscriptions are paid. Memberships are renewed annually and are in line with the Club's financial year and therefore, recognised as revenue in the financial year. No adjustments are needed for portions relating to performance obligations in future income years. Membership subscriptions received in advance are carried forward as a liability at the end of the reporting period.

Sale of goods

Revenue is recognised on transfer of goods or equipment to the customer as this is deemed to be the point in time when all performance obligations are satisfied.

Events and Training Income

Revenue from events and training are recognised on completion of the event, when performance obligations are satisfied. Until then, payments received are recognised as deferred income.

Sponsorships

Sponsorships from participating parties are recognised when received and are aligned to the financial year of the Club. No adjustments are needed for portions relating to performance obligations in future income years.

Notes to the Financial Statements
For the Year Ended 30 April 2026

2 Summary of Material Accounting Policies (continued)

Other income

Interest is recognised as interest accrues using the effective interest method. Government grants are recognised on an accrual basis at the time that the eligibility conditions have been fulfilled by the Club.

(d) Property, plant and equipment

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment.

Items of property, plant and equipment acquired for nil or nominal consideration have been recorded at the acquisition date fair value.

Plant and equipment

Plant and equipment are measured using the cost model.

Grants related to assets

Government grants related to assets, including non-monetary grants at fair value are presented in the statement of financial position by deducting the grant from the carrying amount of the related asset.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the asset’s useful life to the Club, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Buildings and improvements	5%-20%
Plant and Equipment	10%-33%
Heritage Centre	2.5%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

3 Critical Accounting Estimates and Judgments

Those charged with governance make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Inventories

Each item on inventory is reviewed on an annual basis to determine inventory obsolescence. During the year, Management has reviewed inventory based on the age and the model of the clothing and the value of stock carried at year end is the estimated net realisable value.

Notes to the Financial Statements

For the Year Ended 30 April 2026

4 Restatement of John Potter Fund

The John Potter Fund is held in Trust to be used for the purchase, maintenance and repair of equipment for rescuing people from the surf.

During the financial year the Club reassessed the nature of the Fund and concluded it would be appropriate to recognise it in the financial statements. As a result, the Club has corrected this retrospectively by restating each of the affected financial statement line items for prior periods.

The following table summarises the impacts on the Club's financial statements:

	Reported 2025	Adjustments	Restated 2025
	\$		\$
<i>Statement of financial position:</i>			
Cash and cash equivalents	723,714	35,453	759,167

Key Management Personnel Remuneration

No remuneration was paid to key management personnel, consisting of the Committee of Freshwater Surf Life Saving Club Inc.

Related Party Transactions

There were no related party transactions apart from payment of membership fees during the year (2025: nil) nor balances with related parties as at 30 April 2026 (2025: nil).

11 Contingent Liabilities and Commitments

There were no contingent liabilities or commitments as at 30 April 2026 (2025: Nil).

12 Audit fees

	2026	2025
	\$	\$
Audit of the financial statements	9,600	9,100

Notes to the Financial Statements

For the Year Ended 30 April 2026

13 Fund Raising Appeal

	2026	2025
	\$	\$
Donations	6,490	8,335
Carnival income	22,542	62,474
Club Functions income	7,805	2,998
BBQ and Bar income	12,810	13,724
Direct fundraising expenses	(47,672)	(53,586)
Net surplus	<u>1,975</u>	<u>33,945</u>

The Club's net funds from fundraising activities in the financial year was \$1,975 (2025: \$33,945) resulting in an operational deficit which has been funded through membership subscriptions, sponsorships, Kiosk Hire, Hall Hire and other sources of club revenue. These raised funds have been used for operational expenses of the Club in its core lifesaving activities.

14 Events after the end of the Reporting Period

No matters or circumstances have arisen since the end of the financial year which significantly affected or could significantly affect the operations of the Club, the results of those operations or the state of affairs of the Club in future financial years.

Committee's Declaration
For the year ended 30 April 2026

The Committee, who are the responsible persons, declares that in the Committee's opinion:

- the financial statements and notes, set out on pages 4 to 13, are in accordance with the *Australian Charities and Not-for-profits Commission Act 2012* and *Associations Incorporation Act 2009*, including:
 - (i) giving a true and fair view of the financial position of Freshwater Surf Life Saving Club Inc as at 30 April 2026 and of its performance for the financial year ended on that date; and
 - (ii) complying with Australian Accounting Standards – Simplified Disclosure Requirements, and the *Australian Charities and Not-for-profits Commission Regulation 2013*;
- there are reasonable grounds to believe that Freshwater Surf Life Saving Club Inc will be able to pay its debts as and when they become due and payable.

Signed in accordance with subsection 60.15(2) of the *Australian Charities and Not-for-profit Commission Regulation 2013*.

President
Shanny Dyer

Treasurer
Michael Rees-Evans

Dated: 11 June 2026

Statement by Committee in respect of fundraising appeals under the *Charitable Fundraising Act 1991 (NSW)*
For the year ended 30 April 2026

We declare that:

- (a) the statement of comprehensive income gives a true and fair view of all revenue and expenditure of Freshwater Surf Life Saving Club Inc (FSLSC) with respect to fundraising appeals;
- (b) the statement of financial position gives a true and fair view of the state of affairs with respect to fundraising appeals conducted by FSLSC;
- (c) the provisions of the *Charitable Fundraising Act 1991 (NSW)*, the regulations under that Act and the conditions attached to FSLSC's authority to fundraise have been complied with; and
- (d) the internal controls exercised by FSLSC are appropriate and effective in accounting for all income received and applied by FSLSC from all fundraising activity.

President
Shanny Dyer

Treasurer
Michael Rees-Evans

Dated this 11 June 2026

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF FRESHWATER SURF LIFE SAVING CLUB INC

Opinion

We have audited the financial report of Freshwater Surf Life Saving Club Inc, which comprises the statement of financial position as at 30 April 2026, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information, and the Directors' declaration.

In our opinion the accompanying financial report of Freshwater Surf Life Saving Club Inc is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* including:

- (i) giving a true and fair view of the registered entity's financial position as at 30 April 2026 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards – Simplified Disclosures and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2022*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the registered entity in accordance with the ethical requirements of the Australian Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The Directors are responsible for the other information. The other information comprises the information included in the annual report for the year ended 30 April 2026, but does not include the financial report and the auditor's report thereon. Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based upon the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The Directors are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards – Simplified Disclosures and the ACNC Act and for such internal control as the Directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, Directors are responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Directors either intends to liquidate the registered entity or to cease operations, or has no realistic alternative but to do so.

The Directors of the company are responsible for overseeing the registered entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events and conditions that may cast significant doubt on the registered entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify the opinion. However, future events or conditions may cause an entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We are also required to provide the Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

Report on the Requirements of the NSW Charitable Fundraising Act 1991 and the NSW Charitable Fundraising Regulations 2015

We have audited the financial report as required by Section 24(2) of the NSW Charitable Fundraising Act 1991. Our procedures included obtaining an understanding of the internal control structure for fundraising appeal activities and examination, on a test basis, of evidence supporting compliance with the accounting and associated record keeping requirements for fundraising appeal activities pursuant to the *NSW Charitable Fundraising Act 1991 and the NSW Charitable Fundraising Regulations 2015*.

Due to inherent limitations of any assurance engagement, it is possible that fraud, error or non-compliance may occur and not be detected. An audit is not designed to detect all instances of non-compliance with the requirements described in the abovementioned Acts and Regulations as an audit is not performed continuously throughout the period and the audit procedures performed in respect of compliance with these requirements are undertaken on a test basis. The audit opinion expressed in this report has been formed on the above basis.

In our opinion:

- a) The financial report of the Club has been properly drawn up and associated records have been properly kept during the financial year ended 30 April 2026, in all material respects, in accordance with:
 - i) sections 20(1), 22(1-2), 24(1-3) of the *NSW Charitable Fundraising Act 1991*;
 - ii) sections 10(6) and 11 of the *NSW Charitable Fundraising Regulations 2015*;
- b) The money received as a result of fundraising appeals conducted by the Club during the financial year ended 30 April 2026 has been properly accounted for and applied, in all material respects, in accordance with the above-mentioned Acts and Regulations.

Member Services Report

It was pleasing to see a slight increase in our membership numbers for Juniors, Cadets and Youth (15-18yr) memberships. We will continue to promote the club and its activities ensuring that we are providing a welcoming club for its members and the community.

It is important that we are welcoming to all people who are interested in joining the club. Not everyone has to be an elite athlete as there are many roles to fill and many different skill sets required.

Events

Freshie on Fridays (FoF) in the Members Lounge

We held almost monthly FoF events over the season. The events have been predominantly held in the Heritage Room or 'Members Lounge' – but on occasions when weather and numbers make it more appropriate to use the Club "front room" and the wonderful view from the balcony.

It has been pleasing to see that FoF's has attracted a wide range of participants, which provides an opportunity for others to see what we do and hopefully join the club and take part in other beach activities. This season has seen an increase in the number of families (parents and nippers) attending.

International Women's Day

Women haven't always been welcomed into Surf Clubs – it was seen as a very male venue. It wasn't until 1980 that women were formally allowed membership. Thankfully women are now an integral part of the club fulfilling many roles (and not just the women's auxiliary functions). Women are active patrolling members and captains, IRB drivers and crews, competitors in all areas.

On 8th March this year, both morning and afternoon patrols were 'wo-manned' by our female members. We wore pink patrolling

caps and reflected on our 45 years in the 'club' and what a great contribution women have made. Many thanks to David 'Pricey' Price for organising the caps.

Mobility Chair at Freshie. We also had the opportunity to see our Mobility Chair in action with a visit by Jane Spring AM and Mick Garnet, CEO Wheelchair Sports Australia on 15 March. We took Jane down to the waters edge and she went for a swim in the glorious waters of Freshwater beach. Jane gave the chair the thumbs up. It worked surprisingly well. Jane's family loved coming to our beach in her youth so it was a real treat for her. Our Mobility Chair remains available to all people with mobility issues who would like to come down for a swim. Bookings for the chair can be made through NBC Open Spaces.

Carnivals

The Freshie Open Carnival, due to be held on 18 January is a well-known great Australia day event, however, this year, the weather gods were not in our favour and the event, despite being moved again to Manly, ultimately had to be cancelled at 6.00am on the day.

It was also great to see so many competitors at our junior and masters' carnivals and of course our boatie crews – Freshwater

carnivals are popular events in the calendar and not to be missed.

You can see the results in the Sports Directors report.

Life Members Luncheon

The 2026 Freshwater SLSC Life Members Luncheon held on Sunday 15th February was a wonderful chance to bring together the people who have shaped our club more than anyone else. As we reflected on the 65 Life Members who've earned this honour since the late Jack Steele in 1922, it was clear just how much heart and hard work sits behind that title. We have only 20 living life members – 18 male and 2 female – where they can, these members are still actively connected to the club and can share some very interesting stories! The afternoon was really about acknowledging the impact each life member has had on Freshwater: the leadership they have shown, the responsibilities they carried. It was a warm reminder that their contribution still matters deeply, and that life members remain an essential part of who we are as a club.

Pride Lifesaving Day

Freshwater Patrols celebrated Rainbow Day on 14 February this year. Rainbow Day is a national initiative within Surf Life Saving

Australia that celebrates diversity, inclusion and connection within the community. Freshwater is proud to be an inclusive club and is working towards ensuring everyone is welcome. Last year, we purchased a mobility chair so that those less mobile in the community can get to the water. The Patrol members had a fun day embracing diversity and inclusion.

As we saw the last patrol of the year finish, members were invited back to the members lounge for final drinks. As the weather gets colder, the activity continues so if you are keen to get involved, please come and see me. We will be starting the planning for next year and would welcome anyone who is interested in making a difference to the club.

To all the patrolling members, many thanks for the great work you do.

We have a great club, and it is an honour to service.

See you all on the beach!

Club Legend

Mick Griffin visits Freshie:

It is great to report that one of our most esteemed members recently paid a visit to Freshie to see how we are all getting along without him.

Unfortunately, Mick has not been that well lately. So it was good that he could make it to one of our off-season, Sunday coffee morning gatherings, at that club.

Photo below shows Mick with a few of his club member mates, some of whom have

been surf club members with him dating back more than seventy years (that's right 70 years!).

Mick Actually gained his Bronze Medallion in 1944!

We wish him well and hope to see him again soon.

Photo attached includes our President, Shanny Dyer, along with some senior Freshie members, including Peter Rowland, Bob Grose, Eric Middledorp, Rick Ware, Ross Parry, and Max Jones, seated next to Mick.

Club Captain's Report

The 2025/2026 patrolling season was a stark reminder that nature and the ocean ultimately dictate what happens on our beaches. If the season could be reduced to a few catchwords, they would be: sharks, bad weather, and closed beaches.

The patrolling season had not formally commenced when a surfer was attacked and killed by a large shark at Dee Why. Several Freshwater members were called upon to assist our colleagues at Dee Why. Tragically, this incident proved to be a precursor for what was to follow.

Several patrols reported spending more time sheltering on the balcony from adverse weather or beach closures than monitoring swimmers between the red and yellow flags. Dangerous surf conditions struck at particularly untimely moments — first in January when the Open Carnival was due to be held, and then again in March and April.

Following the major storm in January 2026, sharks returned to Sydney beaches seeming en masse. On 18 January 2026, a 12-year-old boy was bitten at a harbour beach. The following day, an 11-year-old surfer was bitten by a bull shark at Dee Why. Later that same day, a surfer was knocked from his board at Freshwater by a bull shark, before another man was bitten at North Steyne approximately an hour later, by, perhaps, the same shark. To add to the misery, within that 48 hour period, another surfer was bitten at Point Plomer on the mid north coast.

That horrific period resulted in all NSW beaches being closed for almost two weeks. During that time, a number of our Members again volunteered for jet ski shifts — including on weekdays — to assist in searching for “adverse marine activity”.

Once beaches reopened, the carnival season quickly followed. John Lo Schiavo and his power-craft team began patrolling

from 6:30am each weekend to provide water safety for competitors. Conditions remained challenging, with murky water and large schools of salmon lingering for some weeks after the January storm.

Patrol Statistics:

We recorded a total of 11 rescues this season: five using rescue boards, four using rescue tubes, and two without equipment. All but one of the rescued individuals were aged 15 years or younger.

One reason for the relatively low number of rescues is the exceptional preventative work undertaken by our members. Throughout the season, patrolling members carried out 218 preventative actions, stopping swimmers from getting into difficulty in the first place.

Our Members also provided first aid to 46 people during the season. Special thanks go to Patrol 15, led by Michael Raymer, who responded to a suspected stroke, and to Patrol 9, led by David Newhouse, who managed a case of anaphylaxis.

Missing children continue to be a frequent occurrence at Freshie. This season, in addition to reuniting 15 children with their parents, patrolling members also assisted two grandmothers in finding their families again. It is particularly pleasing to see many of our younger members taking the initiative in locating missing children.

Patrolling participation increased slightly this season, rising from 292 members last year to 312 members who completed patrol hours this season. Total patrol hours, however, declined from 9,248 to 8,467.

Once again, several Members dedicated extraordinary amounts of time to patrolling duties. Our top female and male patrolling Members by hours (listed alphabetically) were:

Female

Dorata Asigno (Patrol 12)
Kelly Dobrow (Long Service)
Stacey Hardy (Patrol 12)
Sammy Lever (Patrol 10)
Audrey Lonngren (Patrol 10)
Margot Macabies (Patrol 12)
Eloise Parker (Patrol 12)
Caitlin Price (Patrol 14)
Izzy Stapf-Giannakis (Patrol 13)
Zaylee Zouroudis (Patrol 2)

Male

James Crittenden (Patrol 7)
Michael Daley (Patrol 7)
Paris Giannakis (Patrol 9)
Richard Hawtin (Patrol 8)
Jayden Jessop (Patrol 12)
Tyler Liebtrau (Patrol 4)
John Lo Schiavo (Patrol 15)
Josh Orr (Patrol 13)
David Price (Long Service)
Michiel Tops (Patrol 11)

Others who contributed substantial hours beyond their rostered obligations included:

- Ben Brink (Patrol 7)
- Tom Duffy (Long Service)
- Greg Gardner (Patrol 12)
- Stacey Hardy (Patrol 14)
- Andre Liebetrau (Patrol 12)
- David Newhouse (Patrol 9)

100% Patrol

- Michael Rees-Evans (Patrol 8)
- Grace Seaglove (Patrol 4)
- Adrian Tarrant (Patrol 14)
- Tony Wessling (Patrol 6)

These members volunteered at carnivals and other events, undertook additional responsibilities such as Duty Officer or RWC operator roles, and regularly filled vacant patrol positions. Without people consistently going above and beyond their normal rostered obligations, the Club would undoubtedly have faced staffing shortfalls throughout the season.

Patrol Captains

I remain deeply indebted to our Patrol Captains. They are the heart of each patrol and, without them, the Club simply could not meet its patrolling obligations. Patrol Captains perform one of the most demanding and least recognised roles in Surf Life Saving.

This season, our Patrol Captains were:

- Patrol 1 – Grayson Killen
- Patrol 2 – Simon Wain and Andre Eerenstein
- Patrol 3 – David Price
- Patrol 4 – Grace Seaglove and Mark Gilbert
- Patrol 5 – Ian Hills and Thomas Hills

- Patrol 6 – Dee Godoy
- Patrol 7 – James Crittenden and Jake Landells
- Patrol 8 – Andy Jones, Michael Rees-Evans, and Jacqueline Phillips
- Patrol 9 – David Newhouse and Paris Giannakis
- Patrol 10 – Kim Cook
- Patrol 11 – Kris Burrows and Michiel Tops
- Patrol 12 – Greg Gardner and Greg Bartlett
- Patrol 13 – Bennett Frerck
- Patrol 14 – Caitlin Price and David Price
- Patrol 15 – Michael Raymer
- Patrol 16 – Alex Chan

Patrol Lunches

This season we were extraordinarily fortunate for Freshie Chickens and the Harbord Hotel to provide lunch for our patrols. That would not have been possible but for the untiring efforts of our amazing Director of Sponsorship, Ms Kimberley Dales. Thank you Freshie Chickens, Harbord Hotel and Kimberley !!

See you on the beach,
David 'Pricey' Price

IRB Report

It has been a busy season for the IRB section and one that really highlighted our capabilities. There have been a number of serious call outs to assist with the searches for missing persons early in the season. One such call out saw one IRB travel over 37 Km in the search.

The section has had a number of call outs in response to significant shark attacks and sightings. Being watched by 1000 people on the beach when launching an IRB can be daunting, with no one else in the water.

The section has provided water safety to our own Freshwater carnivals and to Branch/State/Aussies. The call outs combined with normal patrolling has been a significant demonstration of the IRB Section's endurance, flexibility and responsiveness.

The Section has grown with a number of new drivers and crew (list names from Surfguard). There is always room for more Drivers and Crew....

The IRB Section's capacity has increase with use also being very fortunate to have received two new engines late in the season.

John Lo Schiavo

Patrol Reports

Patrol 3

Saturday mornings are usually a great time to patrol. Crowds are low, swimming standards are good, and the café staff are still relaxed. Unfortunately, this season, for two-thirds of our patrols, the beach was closed for dangerous surf or sharks or we had adverse weather. We seemed to spend more time on the balcony or in front the Club house than in between the red and yellow flags. Nevertheless, Patrol 3 had consistently good patrol numbers and high morale to keep watch over the beach. It was great to see Mathias step up to become an IRB driver this season, and we added Paul, Rod and Ava to supplement our Bronze numbers.

Patrol 5

For Patrol 5, the weather this season has been un-Australian. Stupendous storms, unwelcome downpours, and windy conditions. All that is to say, it hasn't been critical incidents galore, or the setting for the rescues of the millennium. This is the reality. But, as is colloquially said, reality is what we make it, and you better believe we made the most of it. We did this by engaging in the shared experience. We largely left our "smartphones" idle and created new neural pathways and social connections through a variety of board and card games. Every patrolling hour resigned to the balcony was an opportunity to learn or practice a new game, share friendly signals like smiles, laughter, and—in the case of some enthusiastic younger members—squeals. In an era of increasing isolation and division due to technological tyranny, we were boldly deciding to establish and strengthen relationships. Now, bad weather presents an opportunity, and next time there's a situation that needs teamwork, we're better equipped to be the best patrol for the job. Shoutout to each of our patrol members making moments while competing on behalf of the club, with many earning medals and commendations. Finally, thanks to every regular and irregular patrol member that patrolled this season; you are appreciated.

Thomas Hills

Patrol Reports

Patrol 7

Patrol 7 had a fantastic season!!! The patrol continues its "family" vibes with strong member retention leading to a successful year due to the pro-activeness, commitment and talent of all the team. Unfortunately for the second straight year we were 2nd in the patrol of the year stakes (re-count has been requested). As one of the most skilled patrols in Freshwater due to or diligent efforts and seeking higher awards – makes our life's as co-captains easy (noting all key roles have redundancy). Thanks for another fun and successful season!

Jake & James (Co-Captains)

Patrol 10

This season saw plenty of wet Sunday afternoons, with thunder, lightning, rain and heavy southerly winds keeping us company for much of the patrol season. Many times we could count the number of surfers, swimmers and beachgoers on one hand!

Despite the challenging conditions, Patrol 10 remained committed, professional and reliable throughout the season, ensuring all beach users were kept safe in constantly changing conditions.

Patrol 10 continues to be renowned for our teamwork and inclusivity, with members consistently supporting one another and creating a welcoming environment both on and off the beach. We've retained our strong core group, while the SRC recruits and subs have been fantastic additions, bringing new energy and skills to the team.

Thanks to everyone who contributed to making the season safe, enjoyable and positive for both the club and the wider community.

Kim Cook

Patrol 14

Patrol 14 has undergone a rebuilding phase over the last couple of seasons. Caitlin has become a patrol captain. Adrian, Angus and Stacey collected their IRB crew qualifications. Finn, Millie, Kara have got their Bronze and we welcomed Veronika, Marley, Rachel, Mia and Tristan to the team. Patrol 14 now gets to bask in the reflected glory of the Freaks and Pigs (our gold medal winning surfboat teams). Patrol 14 was fortunate not to suffer too many beach closures this season and we were kept busy with some sizeable crowds. Millie, Luella, and Kara have developed a particular skill in locating lost children much to the relief of some distraught parents.

Caitlin Price

Patrol 15

Another great season and a huge thanks to all on P15 for consistency giving up your time and energy. This season saw the very welcome addition of the new SRC crew (Amelie, Audrey, Arwin, Jack) and some freshly minted bronze's later in the season (Henri, Kate, Suzy) as well as the return of the previous club and P15 patrol captain, Dierk to P15. You all have made an enthusiastic contribution and are very welcome to the P15 family. Who could forget Henri's first patrol, shark alarm, suspected stroke patient, busy beach with lots of water movement, a baptism of fire for sure. Also, a shout out to the backbone of the patrol Jake, Cam, Shanny, John LS, Joona, John G, Marcel & Liv. See you all next season.

Michael Raymer

Patrol Reports

Education Report

The 2025/2026 season was another highly active period for the Freshwater education, training, and assessment team. The commencement of the season focused heavily on delivering foundational training to incoming candidates, while simultaneously conducting skills maintenance sessions to ensure all patrolling members were proficient and ready for active duty.

Nippers

In collaboration with the Junior Activities team, U6 to U13 Nippers achieved a total of 477 awards this season. We also ran several Nipper Safety Assistant courses for approximately 25 Nipper parents. This qualification allows Nipper parents to participate in water safety activities during Nippers for age groups up to and including Under 8.

Age Group Awards Achieved Award Type

U6	101	Surf Play 1
U7	81	Surf Play 2
U8	87	Surf Aware 1
U9	73	Surf Aware 2
U10	41	Surf Safe 1
U11	41	Surf Safe 2
U12	32	Surf Smart 1
U13	21	Surf Smart 2
Total	477	

Skills Maintenance

A major challenge this season was Surf Life Saving Australia's (SLSA) introduction of mandatory Lifesaving CPR into the skills maintenance syllabus. This regulatory change required every active member to

complete both an online theory component and a practical assessment.

Sincere thanks go to Belinda Dobson for overseeing the administrative and logistical requirements for our club. Extended thanks are also due to the delegated assessors in our club who attended numerous practical sessions to ensure our membership remained compliant and proficient for the 2025/2026 season.

Surf Rescue Certificate (SRC)

A cohort of approximately 44 new and existing members successfully gained their SRC this season. This group comprised graduating U13 Nippers, candidates from Balmoral Nippers, and new club members. Thank you to John Goldrick, Tom Duffy and Kirra Budd for facilitating this course. This cohort demonstrated excellent teamwork, established strong peer networks, and all candidates have now been successfully integrated into the patrol roster.

Bronze Medallion

The club welcomed a dedicated group of new Bronze Medallion recipients this season, alongside existing SRC holders who successfully completed the SRC-to-Bronze transition course. In total, 26 Bronze Medallions were awarded. This outcome was made possible through the dedication of our instructional team: Lindsay Davis, Steve Davis, Michiel Tops, Samantha Lever, Josh Orr, Belinda Dobson, Isabelle Staph-Giannakis, JP Warren. Thank you also to our subject matter expert Peter Obern who conducted several surf swim sessions for our candidates.

Advanced Resuscitation Techniques (ART)

A specialized group of six members successfully attained their Advanced

Resuscitation Techniques qualification. Trained by Lindsay Davis, Jackie Phillips, and probationary ART trainer Mark Gilbert, this course advances standard CPR skills by incorporating medical oxygen administration and team-based resuscitation protocols. This is a critical capability that strengthens our patrol teams.

IRB Crew and IRB Drivers

Our IRB capability was strengthened this season with the graduation of two new IRB Drivers and 21 new IRB Crew members. Congratulations also to Jordan Dobson, who successfully achieved his IRB Trainer qualification during the season. We also acknowledge the efforts of IRB Trainers David Price, James Crittenden, and John Lo Schiavo for executing these demanding courses.

Silver Medallion Aquatic Rescue (SMAR)

Congratulations to Samantha Lever and Josh Orr on achieving the Silver Medallion Aquatic Rescue award. This intensive course equips lifesavers with advanced search and rescue skills, complex water entries (including rock and pier rescues), and submerged object recovery techniques.

Silver Medallion Patrol Captain

This leadership qualification is a prerequisite for all Patrol Captains, providing them with the skills necessary to manage beach emergencies, delegate tasks, and communicate with external emergency services. Congratulations to Isabelle Staph-Giannakis for securing this award during the season.

First Aid Certificate

Kelly Dobrow facilitated several First Aid Certificate courses at Freshwater this season. These sessions allowed existing lifesavers to renew their current First Aid qualification

and enabled new candidates to credit the qualification toward their Bronze Medallion training. This Certificate represents a valuable, commercially recognized skill set that benefits our members both on the beach and within the broader community.

Rescue Water Craft (RWC or Jet-Ski)

Recognition goes to Isabelle Staph-Giannakis for qualifying as an RWC operator. This demanding course is conducted during the off-season by the Sydney Northern Beaches

(SNB) Branch and requires months of rigorous, cold-water marine training.

Trainer, Assessor, Facilitator (TAF)

Congratulations to the members who attained new TAF qualifications this season. These members provide the educational foundation for both our club and the wider Branch. Their contribution involves a significant investment of personal time, which directly elevates the operational standards and skill levels of our entire membership.

Summary

The 2025/2026 season was both demanding and highly rewarding. I express my sincere gratitude to all Freshwater trainers, probationary trainers, assessors, facilitators, and subject-matter experts. Your willingness to share your expertise and volunteer your time ensures that Freshwater members remain highly skilled, resilient, and elite lifesavers.

Marketing & Sponsorship

The 2025/2026 season has been another great year for the Freshwater Club mainly due to the strong support the club receives through all its sponsors and supporters.

On behalf of all the Freshwater membership we extend our sincere thanks to the marketing and sponsorship team and extend our deepest appreciation to all our sponsors, whose commitment has been instrumental in the club's growth this season.

Our Major Sponsors:

Mounties Group /

Harbord Diggers

The Harbord Diggers is another pillar of strength for the broader Northern Beaches community and the Freshwater Club is indeed indebted to the Mounties Group for their ongoing support. Each year through their club grants the Freshwater Club can receive essential equipment, to further enhance our lifesaving capabilities.

Titan Ford Brookvale

Titan Ford have also been a long-term supporter of the Freshwater Club, which turned into a significant sponsorship agreement number of seasons ago. Titan Ford Brookvale has not only provided financial assistance to the club but also provided for the past few seasons a branded vehicle for the club's exclusive use.

Supamart IGA, Freshwater

The Karellas Family have made a significant impact on the Freshwater Community since arriving with their IGA Freshwater Supermarket several years ago. Their commitment to providing growth in the community has strengthened our clubs Nippers, Lifesaving, and Education divisions. The Freshwater EC has maintained a close working relationship with the family, and we extend a massive thanks to all the IGA staff at Supamart IGA Freshwater for everything they do for us and our community.

Harbord Hotel

Since 1928, Harbord Hotel's ongoing support has been more than just financial, the Hotel has extended many discounts to our members and supported our various sporting events, demonstrating a profound dedication to our volunteering work and in turn demonstrated why our community partnership is so important. Thank you, Harbord Hotel, for your ongoing generosity.

Community Bank Freshwater

The Bendigo Banks 'profit-with-purpose' model, through their Community Bank Freshwater has meant that the Freshwater club has received ongoing support from the Bank since the Executive Committee decided to move our funds to the Bank many seasons ago.

The Banks annual contributions to the

Freshwater Club through their Grants programmes has meant that we are able to host the Barney Mullins Community Swim as the events major sponsor which in turn has made a meaningful difference to the event and the community that support the swim. In addition to this, we have received grant funds to enable us to purchase two motors for the IRB's – vital to the operations of the club's surf life saving activities.

Blessed Bowls

We are very pleased to welcome Blessed Bowls to Freshwater and as a sponsor for the club. Their presence on the beach and in our community has been very well received. We look forward to working with them and enjoying their mouth watering acai bowls.

Silver Sponsors:

Bennett Surfboards

Perhaps one of longest and loyal partners, and our naming rights sponsor for the junior carnival, Bennett Surfboards embodies Community. Their "Barry Bennett Award," which recognises an up-and-coming Nipper at our junior presentations, highlights their dedication to recognizing and supporting the youth and the community. To Greg and Tom Bennett, a massive thank you for your ongoing support and we look forward to continuing our partnership and in doing so, shaping our future champions together and honouring the legacy of the surf culture.

Mike Dunn, Clarke & Humel

Not only a great supporter but an active member as well, Mike Dunn longstanding support has been invaluable. Mike's commitment to our junior division, particularly the Nipper training sessions and water safety, has made a profound impact on the development and growth of our young members.

The John Colet School

This meaningful partnership aligned with the school's mission and the club's ethos and community spirit. The schools support of our Education and Junior divisions expresses their commitment to nurturing holistic development and values-based education within our community. Working closely with Principal Julian Wilcock, and Communications Manager Alex Coubrough both the school and its students have benefited greatly from our partnership over the past 12 months.

Donations to Freshwater Surf Lifesaving Club:

We extend our sincere thanks to all donors, large and small, whose contributions have fuelled our mission and vision. Your generosity has made a tangible difference in the lives of our members and the community at large.

We extend our heartfelt gratitude to all the in-kind donations received throughout the season from: Freshie Chickens, Budgy Smugglers, White Glo dental hygiene products and toothpaste, Hyro Drink, Okanui, Wahu and McDonalds.

Freshwater Open Carnival Sponsorship:

Sadly, the open carnival had to be cancelled this season due to dangerous surf conditions both at Freshwater and at Manly.

We thank the following naming right sponsors, Cunninghams Real Estate, Mat Lemon, James Brooks, APG & Prime Constructions for the events if they had occurred.

Aqua Culture / Rigs Brookvale:

Once again, this season we thank Sean Davis and the Aqua Culture Rigs Brookvale team for their ongoing support. Their pool access passes for swim proficiencies, member discount offers, and prize vouchers has supported many events this season. Thank you also for the LSKD morning and hope that we can raise awareness again for the coming season.

Patrol Lunches:

One of the great initiatives from our marketing team has been the introduction of a free lunch whilst they volunteered on patrol. Most weekends from October through to April,

food from our sponsors has been donated to our Patrolling volunteers in appreciation for their time to our community and service. A kind and generous gift offered from our Major sponsor Harbord Hotel and our community partner Freshie Chickens. A special mention of thanks goes out to Glenn, Michael, Jessica, Jackie, Owen and team at Harbord Hotel, and owners Jack and Joe Refalo at Freshie Chickens for their delicious food and this wonderful offer.

Social Media:

At the date of publication for this year's Annual Report, we have successfully reached over 2700 followers and growing! Always remember to tag # Freshwaterslsc in any of your posts and or if anyone has any content, photos they wish to share with us please contact the Director of Sponsorship and Marketing.

We would also like to take this opportunity to remind our members to support our sponsors when seeking products or services that they provide. Without these sponsors we would not be able to provide the services to the community or benefits to our members

Always remember to tag #freshwater_slsc in any of your social media posts. A massive thanks to the SM Team... Jacinta Butler, Kirra Budd, Kelly Marsh, Shanny Dyer for assisting with the content over the season and collaborating with our sponsors, partners and the broader community.

Marketing & Sponsorship

Thank you:

A massive thank you to the whole team for your input this season. Your tireless efforts and unwavering dedication have been instrumental in our overall success. Not only have you lightened the workload for the team, but you have also played a crucial role in fostering our partnerships and advancing our mission. Thank you fall for your contributions.

It would be remiss of the Marketing team if we didn't thank our volunteer photographers that captured all the events throughout the season.

In conclusion, we express our profound gratitude to all our sponsors, partners, donors, and community contributors for their unwavering dedication and support throughout the 2025/2026 season. Remember supporting our sponsors when our members need services or products reinforces our commitment from the Freshwater members.

JOHN COLET SCHOOL

SLSSNB, SLSNSW, SLSA

As well as recognising our Club sponsors, it is important the Club also recognises the significant and on-going support provided to all Clubs and the lifesaving movement in general by those organisations who sponsor the activities of Branch, SLSNSW and SLSA. Their support and generosity results in a range of direct and indirect benefits to all Clubs, including our own. Many thanks to the following supports of Surf Life Saving.

SLSSNB

International College of Management
Avenue
United Resource Management
Westfield Warringah Mall
Northern Beaches Council
Dee Why RSL

SLSNSW

Your Local Club
Abe's Bagels
Ingenia Holiday Parks
Sharkskin

SLSA

DHL
Isuzu
Qantas
Westpac
Ampol

SLSNSW and SLSA

Ampol is a national major partner of Surf Life Saving and for their significant uniform sponsorship, enabling uniforms to be provided free of charge to patrolling lifesavers.

Westpac is a National major partner of Surf Life Saving for their significant sponsorship towards the Westpac Lifesaver Rescue Helicopter Service, the oldest civilian search and rescue service in Australia.

The generous support of the general public and our donors is also much appreciated. Without their support in purchasing raffle tickets and making donations, SLSNSW would not be able to distribute the much need funds now received by Clubs across the State.

The support of the NSW and Commonwealth Governments of surf lifesaving is also acknowledged.

SURF LIFE SAVING
NEW SOUTH WALES

Facilities Report

The focus in the area of Facilities for season 2025/2026 has been divided between the ongoing operation of the existing club building and the work to initiate and deliver the Building Renewal Project.

Jamie and Tracy with their three boys lived through their 3rd summer season with the club and their efforts and commitment have continued to be noticed and called out by club members. Jamie and Tracy's eldest son, Ethan, has turned 18, and is now as familiar with the Caretaker's activities as Jamie and Tracy. He has become part of 'Team Scott' in their ongoing role to keep the club in a clean and maintained condition. That has also allowed Jamie and Tracy to have some much needed respite time, and have a series of short breaks from the 24/7 responsibility of the Caretaker.

The initial term of the Caretaker agreement expired on 1 June 2025, but an updated agreement between the club and Jamie and Tracy was executed on 11 May 2025. This new agreement extends the tenure for another 12 months to 1 June 2026 with an option for a further 12 months beyond that. It is the intention to take up the further option so the Caretakers agreement will be extended to 1 June 2027. This extension is a testament to how happy the club is with their contribution, and to their passion for their role at the club.

An initiative was implemented this year to allow members to provide feedback on any Facilities issues around the club that might need attention. A laminated poster that includes a QR code has been fixed to walls around the club encouraging feedback from club members. Carla Thornton has been instrumental in the creation of the feedback format and setting up the technology to allow the gathering and collating of the information. All matters raised are now reviewed and addressed on a weekly basis.

Carla's ongoing support in the Club Administration role has been wonderful. She has greatly assisted the coordination between club members, the Facilities Director and Jamie, allowing a seamless approach to the club building's operation and maintenance. Thanks Carla for everything you do.

The Building Panel remained unchanged from the previous year with Linda Wiadrowski, Maurice Mandalinic, Andrew Reed and Stephen Bennett all providing oversight and input. Thanks for your involvement. Meetings of the Panel group were less frequent this season. With a consistent group from the previous season there was a lot of efficiency in the way communication and issues were dealt with.

The initiative introduced last season of a members Working Group was continued this season, but those members involved has diminished. With Kev Dyer relocating to Queensland, only Eric Middledorp and Phil Fagan were left to carry out the minor maintenance and repair projects. Thanks to

both Eric and Phil. We are always looking for more helpers and ask any club members who may have a few hours that they can contribute to reach out to Jamie.

The club members working bee has become an annual activity now, and this season saw the working bee conducted in Spring, just before the season proper started. Great numbers and great involvement from members across many areas of the club participated. The outcome was a successful morning where all targeted jobs were completed and the club and surrounding grounds were left in a great condition.

Thanks to the members of the EC for their commitment to the support of the Building Panel. The EC is diligent and careful in its deliberation over matters brought forward in relation to the facility, but they have always been supportive of any ideas that contribute to the environment that club members experience.

Finally a thank you to Northern Beaches Council. The support they provide and the minor building works they carry out on the club building and the surrounding parkland is appreciated by all members and locals residents. A special thankyou to Millie Patterson from Council who is the club's

first point of contact for any building matters. Being a Council owned building, the club must follow standard Council processes to request any building work or maintenance to be carried out. This explains why some of those small things Club members see Council just takes a little longer than if the Club was dealing with it themselves.

History Panel

The History Panel (Wayne Freakley, Stephen Bennett, Eric Middledorp, David Inches, Ross Parry & David Olsen) is responsible for the collation, recording, archiving and display of club photographs, honour boards and other club memorabilia. The Panel now reports to the Executive Committee through the Director of Facilities.

Understanding the history of the club and its pivotal role in the evolution of the local community's social, sporting, cultural and recreational history is an important by-product of the panel's work. This work is on-going.

The panel convened 3 times during the past season.

Existing space for display of items is currently somewhat limited. It is hoped future refurbishment as part of the club's masterplan will provide more opportunities for display of

items, including more historical photographs from the approximately 6,000 currently available.

Matters addressed by the panel during the season included –

- Updating of photographs of Australian Championship winners;
- Updating the record of Executive Committee positions located in the foyer, including the refurbishment of damaged metal slats;
- Organising the purchase of new screen in the Koolooro Room for audio-visual displays;
- At the request of the Executive Committee, undertaking a comprehensive review of existing honour boards to determine on-going relevance and whether there was a need for further boards for any awards not currently recognised. As a result of the review the Executive Committee approved the panel's recommendation that boards be established for Young Patrol Person and Rookie Patrol Person of the Year as well members who have been awarded Branch Junior Lifesaver of the Year;
- Reviewing the display of Junior Activity State Championship winners to identify photographs currently included in the display which are for achievements other than State Championship success;
- Reviewing items currently on display in the Heritage Room to ensure they remain both relevant and appropriately located for display;
- On-going exploration of how club photographs and other historical items of interest can be better maintained and made available for display.

Projects

Gym

Tim Hollingsworth has continued as Gym Manager and has continued to keep up to date with club members' wishes. Tim has ensured the gym equipment is maintained and serviceable. Thanks Tim. The gym is an ongoing project, as there are always requests from club members for new equipment, and it appears more members than ever are using the gym on a regular basis.

Freshwater Ferry benches

Some years ago two benches that were on the Freshwater Ferry were donated to the club. These benches have now been fixed to the timber deck at the mezzanine level.

Verandah furniture

New durable and comfortable furniture was purchased for the front verandah of the club house building.

Hall seating

The old metal seating that used to be set out for any functions in the hall have been donated to another cause. A full new set of foldable, stackable while functions chairs were purchased to replace the old chairs.

Major Building Project

As reported in the last annual report, a Development Consent DA 2023/0998 was formally determined (approved) on 31/03/2025 but the Consent operates from 22/04/2025. The Consent includes conditions and lapses on 22/04/2030 if it has not been activated before then. The next steps involve fund raising, design work and further planning before any building work can commence.

Shortly after last years AGM a new Panel was formed, the Freshwater Building Renewal Project Panel. Sitting on the Panel are Steve Bennett, Michale Bate, Andrew Murphy, Toni Cadden and the President is invited to all meetings. Reporting to the EC through the Director of Facilities, the Purpose of this Panel is to provide strategic oversight, guidance, and governance for the fund raising, planning, detail design, and delivery of the building renewal project. The Panel will ensure that the project aligns with the Club's vision, meets the needs of all its members, supports the broader community, and is delivered on time, within scope, and within budget. Specifically, the Panel will

Set the strategic direction and objectives for the building project

Engage with all stakeholders to ensure everyone's needs are identified

Represent the club in any discussion or negotiation with external organisations

Oversee fundraising necessary to complete the project, most likely partnered with Northern Beaches Council

Review and endorse key project documents, including plans, designs, budgets, and risk assessments

Represent the interests of key stakeholders, including Club members, volunteers, local community, and funding bodies

Provide oversight on project progress, milestones, and major decisions

The Panel has focussed on the following key elements

Fundraising

Fundamental to the project commencing is fundraising. The Panel has developed a draft strategy paper setting out how the club might go about seeking funds from various levels of government, sponsors and other benefactors. Needing some assistance in the area of fundraising, the club has engaged Freshwater Strategy to assist with the development of a Communications Plan and Fundraising Plan. Work commenced with Freshwater Strategy in March 2026 and is ongoing at the time of writing this report.

Design

With an approved DA set of plans, the next step is to start detailed design to create a set of plans suitable for tender and construction.

An original brief was developed back in 2011 to inform and guide the architect to develop the original plans. The approved DA plans are based on that original design brief, that is now over 10 years old.

It was agreed to seek input from all members and stakeholders to update the brief before detail design is commenced. After a 6 month period of gathering feedback the Panel is now commencing the work to distil all the feedback and finalise the new brief for the architect. The intention is to try to accommodate as many wishes of members as possible within the envelope of the approved building plans and within the budget settled on for the project.

The EC will be requested to sign off on all proposed changes and the cost for design work before any work is commenced by external parties. There has been no further costs incurred on design work over the past 12 months.

Budget

An updated cost plan was prepared by Berco Consulting in November 2025. Taking into account some cost escalation for the period before construction starts a total estimate was established at \$13,248,000.

Michael Kirkby
Director Facilities

Nippers Report

To all our Nippers, parents, carers and volunteers, thank you for an extraordinary season! It was a season that tested us in ways we didn't expect, with increased shark activity, beach pollution and weather disruptions all making it harder to run consistent sessions in the water. Despite that, our Nippers kept turning up, our volunteers kept adapting, and together we delivered a season we can genuinely be proud of.

Our objective at Freshwater Nippers remains unchanged: to create the lifesavers of tomorrow by providing a fun, safe and inclusive program for Nippers and their families. As the program continues to grow, my first season as Junior Activities Chairperson has been about building on the strong foundations already in place and continuing the work of evolving how we operate to match our scale, refining roles as the program grows, moving to communication platforms consistent with other sports and the wider community, embedding structured safety practices, and making a deliberate commitment that regular Sunday Nippers would continue running even when carnivals were on. That commitment meant our Nippers experienced fewer cancellations across the season, and families could plan their Sundays with confidence.

The 2025/2026 season ran from September 2025 through to late March 2026, with all standard age groups from Under 6 through Under 14. Sunday morning sessions remained the anchor of the program, supplemented by proficiency days, carnival weekends, pre-season camp, and our holiday camp. Across the season we operated under SLS Sydney Northern Beaches and SLSNSW guidelines, with strict water safety ratios, mandatory Working With Children Checks for every volunteer, and weekly risk assessments completed through the SLS Operations App.

We welcomed 790 nippers into the program. The continued growth we have seen and the retention of Nippers through the age groups demonstrates the engagement we are having with Nippers and their parents / carers. We welcomed families from across the Northern Beaches and across Sydney, many of whom have returned to us this year as well as new members who joined us looking for a fun and inclusive Nippers experience.

A number of deliberate program updates shaped this season. Coaches were required to complete SLS coaching accreditation before the season started, and Bronze and Officials courses were scheduled multiple times across the year to give volunteers more flexibility to qualify. We also pulled back on BBQs this season, keeping them for key moments like the first session, carnivals and presentation day — freeing up volunteer energy for where it matters most: running the program.

Thank you, congratulations and farewell to our U14 cohort! This year we successfully

graduated over 40 U14s through the Surf Rescue Certificate Program (SRC), "Creating tomorrow's lifesavers".

It has been wonderful to see the majority of our SRC graduates moving to become active Patrolling members, exercising the skills they have built up over 9 years in the Nippers program. A big call out to our incredible training team — especially Kelly Dobrow, Jacinta Herd and John-Paul (JP) Warren for their support in training our Under 14s through the SRC program. We are proud of this year's class of Under 14s and many tears were shed at the graduation dinner to celebrate the success of this class and completion of their time in Nippers. We are especially grateful to JP for guiding this cohort as Age Manager through the years. This class was not just large in size, but also large in personality. We will cherish the beautiful signed photo of you all on your boards you have left to the club as your graduating gift. It has been great to see the widening engagement with the broader club that this cohort has led.

Piper Branchley and Harrison Burrough stepped up as our Club Captains, and were brilliantly supported by Florence Warren and Jayden Jessop as Vice Captains. Being the face of Nippers across the year is no small task, and all four did Freshwater incredibly proud, representing our club passionately and

respectably through the season.

We also recognise our long-standing Nippers, those who joined as U6s and stayed with the program every season through to U14. That kind of commitment is genuinely impressive and reflects exactly what we hope this program can be for our families. Congratulations to: Sophie Yeates, Florence Warren, Piper Branchley, Marley-Wei Capogreco, and Ginger Wessling continuing to build a fun and inclusive program having fun and being inclusive for everyone, whether competitive or not, is a core part of what we aspire for our Nippers program. This year we continued to focus on ensuring the program was fun for everyone irrespective of whether kids (and parents) were motivated by competition or other aspects of the Nippers program. Central to this is the dedication and patience of our Age Management team. This year we had 67 age managers and age assistants, looking after nearly 800 Nippers each week and working through the SLSA learning program while ensuring all Nippers have fun and want to come back week after week. While our Age Managers come from all walks of life and bring a diversity of experience and background, they all brought a passion for leading and teaching our Nippers about surf safety and beach skills to help build confidence and competence of all Nippers on the beach and in the

water. Without these dedicated individuals, we couldn't run Nippers. On behalf of the club and all the Nipper children, thank you. Thank you also to Brent Cahill (our Sunday Activities Coordinator), Dorota Asigno and Kathy Switzer- Lowes (our Age Manager Coordinator) for all of your hard work and coordinating our Sunday activities each week.

Season Highlights

Some of the moments that stood out across the season:

- The pre-season camp at Ingenia One Mile Beach again brought families together for a fun, low-key start to the year, building friendships across age groups before the formal program began.
- Our own Bennett Freshwater Fast & Furious

Carnival in November was again a highlight on the local calendar, with our thanks to Greg Bennett for his continued support.

- Twilight Nippers drew strong attendance, with the laser kids DJ and Santa's arrival on the ATV remaining firm favourites among families.
- The Nipper Challenge Camp run during the school holidays continued to be a popular extension of the program for older Nippers wanting to develop their skills. - Thank you to Bec Isaacs for helping drive this.
- We were invited by the Sydney Water Police to take part in a community engagement morning right here at Freshwater Beach. 12 of our Nippers paddled out to a Police Class 2 vessel, toured the boat and spent time w

ith the Water Police, and the excitement on the beach was awesome. It was a genuine highlight of the season and a reminder of the broader community our Nippers are connected to. We look forward to continuing that relationship next season.

- Take 3 For The Sea engaged our younger age groups in conversations about plastic pollution and environmental responsibility, with Jasmine Tan driving this initiative across the season.

- Club Championships across both land and water provided every Nipper, competitive or not, the chance to test their skills in a friendly carnival-style format.

- Welcomed the Balmoral Bronzies again this year. They toured the club, learned about our rich Freshwater history, surf awareness, lifesaving, first aid, and how to spot rips. We were thrilled to see record attendance from the Bronzies in 2025 and look forward to welcome the graduating bronzies joining us in 2026 to complete their SRC

Competition and Carnivals

As with previous seasons a large number of Freshie Nippers took part in the carnival circuit this season, and the thread running through all of our results was teamwork. Our competitors represented the club with the right spirit, supported each other through the highs and the lows, and showed up as one team. As always, we aimed to keep competition framed as an extension of skill development rather than an end in itself, and to keep the program welcoming for families who don't see Nippers as a competitive pursuit.

Our coaching program, led by Robin Brenchley and a dedicated team of young Freshwater members and parent helpers, continued to lift the technical foundation of our competitive Nippers. Three sessions per week through the season, alongside carnival attendance and team selection, meant our Nippers were as prepared as they could be heading into Branch and State events.

A huge thank you to Sam Rojas and to all the parents who gave up their time to officiate, often missing their own children competing, and to our regular water safety team who make the whole competitive program possible.

State Championship Finalists

47 Nippers represented Freshwater across State events. We had finalists and medalists across age groups from U10 through U14:

U10

Felix Welsh (Male Beach Sprint), Evie Bentley (Female Board)

U11

Alexander Woodland (Beach Flags, Male Beach Relay), Max Switzer, Alex Mandalinic and Rory Nolan (Male Beach Relay)

Nippers Report

U12

Maggie Meagher (Surf Team, Board Relay), Mia Jessop (Surf Team), Aria Amos (Surf Team, Board Relay), Heidi Dunn (Board Relay), Roxy McIlvain (Surf Team)

U13

Eva Langley (Female Surf Race)

U14

Piper Brenchley (2x1km Run, Surf Team, Iron Person, Board Rescue, Board Relay, Beach Relay, Cameron Relay), Sophie Yeates (Cameron Relay, Beach Relay), Ginger Wessling (Beach Relay), Flo Warren (Surf Team, Surf Race, Cameron Relay, Board Rescue, Board Relay), Darcey Herd (2km Run, 2x1km Run, Surf Team, Beach Relay, Board Relay), Violet Benham (Surf Team), Harrison Burrough (Board Race, Board Relay), Lenny Newby (Board Race, Board Relay), Lucas Peacock, Jake Payne, Tom McIlvain and Cooper Orr (Board Relay)

Bronze Medalists:

Alexander Woodland (Beach Flags); Darcey Herd and Piper Brenchley (2x1km Run); Flo Warren, Violet Benham, Piper Brenchley and Darcey Herd (Surf Team); Harrison Burrough, Lenny Newby and Tom McIlvain (Board Relay).

Silver Medalists:

Darcey Herd (2km Beach Run).

Australian (Aussie's) Championships

Freshwater was represented at the Aussies in the Male Swim Team and Board Relay, and the Female Swim Team and Board Relay. Special mention to Flo Warren (Swim) and Piper Brenchley (Swim and Iron) for taking on the country's best.

Iron Person Results

Mini Iron (U9/U10)

Girls: 1st Ilya Chalmers, 2nd Evie Bentley, 3rd Eve Meagher.

Boys: 1st Harry Temperton, 2nd Leo Pardey, 3rd Felix Welsh.

Junior Iron (U11/U12)

Girls: 1st Aria Amos, 2nd Maggie Meagher, 3rd Mia Jessop.

Boys: 1st William Isaacs, 2nd Reuben Adams, 3rd Lachlan Humphreys.

Senior Iron (U13)

Girls: 1st Eva Langley, 2nd Abigail McLachlan, 3rd Sophie Ayer.

Boys: 1st George Simon, 2nd Lucas Rojas.

Senior Iron (U14)

Girls: 1st Piper Brenchley, 2nd Florence Warren, 3rd Darcey Herd.

Boys: 1st Lennox Newby, 2nd Tom McIlvain, 3rd Harrison Burrough.

AGE GROUP	1ST PLACE	2ND PLACE	3RD PLACE
U8 Female	Florence Switzer	Layla Bentley	Elisabeth Temperton
U8 Male	Rowan Hsieh / Beau Chalmers	Charles Blake	—
U9 Female	Eve Meagher	Emilia Harvey	Zoe Brown
U9 Male	Jake Horton	Harry Castelli	—
U10 Female	Evie Bentley	Ilya Chalmers	Chloe Higgs
U10 Male	Felix Welsh / Harry Temperton	—	—
U11 Female	Ayla Pardey	Abbey Rose Yaard Harding	Juliette Blakely
U11 Male	Koby Coates	Max Switzer	Ruaidhri Nolan
U12 Female	Aria Amos	Isla Cleland	Maggie Meagher
U12 Male	Thomas Yeates	William Isaacs	Marcel Thierry
U13 Female	Sophie Ayer	Ayla Zouroudis	Eva Langley
U13 Male	Troy Roberts / George Simon	Lucas Rojas	Gael Rosa Rodrigues
U14 Female	Darcey Herd / Piper Brenchley	Sophie Yeates	Florence Warren
U14 Male	Lennox Newby	Jake Payne	Harrison Burrough

Club Champions

Club Championships were run as a single round across each event, with placings determined by accumulated points. Nippers needed to compete in the event discipline, attend at least six sessions across the season, and be proficient. Congratulations to our 25/26 Age Champions:

AGE GROUP	FEMALE	MALE
Under 8	Alice Eccles	Lucas Minenko
Under 9	Natalie Shum	Leo Anderson
Under 10	Eloise Antonio	Louis Carrick
Under 11	Luna Simon	Lorcan Nolan
Under 12	Roxy McIlvain	Reuban Adams
Under 13	Annaliese Harding	—
Under 14	—	Jayden Jessop

Major Awards

Kay Priday Award

Named in honour of Kay Priday, a foundation member of the junior club from 1966, this encouragement award is presented to Nippers in each age group who participate regularly, always give their best, and show genuine interest in the club. Our 2025/2026 recipients:

Sam Kiely Award — Excellence in Land
Winner: Darcey Herd.

Darcey's land results spoke for themselves this season — Silver in the 2km Run and Bronze in the 2x1km Run at State, plus Gold in the 2km Run, Silver in the 2x1km Run, Gold in the U14 Female Beach Relay and Bronze in the U14 Mixed Beach Relay at Branch. Beyond the results, Darcey showed the training commitment and sportsmanship that this award, named after Freshwater land competitor Sam Kiely, is meant to recognise.

Grant Coates Award —
Best Water Competitor
Winner: Piper Brenchley.

Piper's water results this season included Bronze in the U14 Surf Team (2nd in race) at State, along with 8th in Iron Person, 8th in Board Rescue and 6th in the Cameron Relay. At Branch she added Silver in the U14 Female Surf Race, Bronze in U14 Iron Person, 6th in the U14 Female Board, Gold in the U14 Female Surf Team (1st in race), and Silver in the U14 Female Board Relay. A genuinely outstanding water season.

Perc Stirling Award —
Outstanding Sportsmanship
Winner: Aria Amos.

Named in honour of Perc Stirling, who served in both World Wars and whose family remains part of the Freshwater Nippers community to this day, this award recognises the spirit of champions in life rather than just in competition. Aria embodied that spirit throughout the season.

John Cahalan Award —
Junior Activities Member of the Year
Winner: Cooper Orr.

This award goes to a junior member who attends regularly, takes an interest not just in their own age group but in the wider club, helps with training, encourages others, and shows up for fundraising and club functions. Cooper modelled all of that this season and is a worthy recipient of an award that honours John Cahalan, a foundation member of the junior club whose family is still part of Freshwater today.

Chairperson's Award
Winner: Jasmine Tan.

Jazz earned this award in a season where she didn't even have a Nipper participating, her contribution has been purely about giving back. She stepped up to lead our Club Captains and help them find their voice on the beach, drove the Take 3 For The Sea initiative championing care for our beach and environment, jumped in across administration and on-the-day support, and pulled land training back together before State Championships so our kids arrived prepared

Nippers Report

Cathy Crozier Award

Winner: Mark Burrough.

First awarded in 2003 in honour of Cathy Crozier, an age manager who treated every child in her group as her own and who passed away during the 2002/03 season, this award recognises someone from the junior club who reflects Cathy's spirit, values and care. Mark has given many years of service to the Nippers family, as Age Manager, in the

Board Room, as Water Safety Coordinator and as water safety at training and water carnivals. From midweek training through to Sunday Nippers and carnivals, Mark is fully dedicated to the kids. When the Balmoral Nippers joined his group, he patiently trained them on how to handle the boards and helped them feel part of the Freshie family. He's the kind of person who quietly makes things happen — reliable, steady, always there when you need him, with a smile and a

good chat on the beach. Mark reflects exactly the values this award was created to honour.

Volunteers and the Backbone of Nippers

Thank you to everyone who made this great season happen. None of what's described above happens without volunteers. Every Sunday, every carnival, every BBQ and every pre-season meeting is built on people giving up their time.

A particular thank you to:

The Junior Activities Committee who met monthly through the season to work through every operational challenge that came up and keep the program moving.

Our Age Managers and Age Assistants, the parents, carers and 13–15 year old assistants who plan and run sessions every Sunday across nine age groups, balancing safety, skill development, behaviour management and parent communication.

Our Water Safety team, led by Tony Wessling — Bronze and SRC holders who supervised every water session, completed weekly risk assessments through the SLS Operations App, and ensured no group entered the water unless ratios were met.

Our Coaches

— led by Robin Brenchley and supported by a dedicated team of young Freshwater members who give up multiple sessions a week to develop our competitive Nippers.

Our Officials

— who stood in the sun all day, often missing their own children competing, so that carnivals could run.

Our Event Volunteers

— who delivered every social event and fundraising BBQ across the season.

A special thank you to the following JAC members who are stepping down this season as their youngest Nippers move through to Youth. Robin Brenchley (Sports Coordinator), Michal Brenchley (Social Coordinator), Mark Burrough (Boards Coordinator), Tony Wessling (Water Safety Superintendent), Jacinta Butler (Education & Social Media Coordinator) and Jazz Capogreco (Child Safety Awareness) have all given so much to this program, and every one of them consistently went well beyond what their roles required. While they are stepping back from the JAC, they will remain part of our beach community through the Freshwater Nippers Steering Committee, and we are lucky to have them.

On a personal note, whilst this was my first season as Junior Activities Chairperson, it will also be my last in this capacity with my youngest moving on from Nippers and work commitments that keep me frequently travelling, the time has come to hand over to someone who can give the role the presence it deserves. It has been a genuine privilege, and I'll remain one of Freshwater Nippers' loudest supporters.

Toni Cadden
Junior Activities Chairperson

Youth Report

It was another great season for our youth program at Freshwater. It was fantastic to again have the support of the Youth Panel in delivering an action-packed season of events and new initiatives. A massive thanks to Sammy Lever, Kirra Budd, Grace Hardy, Emily Isaacs, Harry Parker and our U14 Captains, Piper Branchley and Harrison Burrough. None of it would have been possible without your help.

We kicked off the offseason strongly with our Youth State of Origin Social Night. It was a great opportunity for everyone to get together, catch up and enjoy some pizza while maintaining those connections throughout the colder months.

With momentum building early into the season, Freshwater's youth contingent volunteered to assist Rotary in running the Beach2Beach event, thanks to Stacey Hardy for arranging this. Freshwater had 13 members attend, with a special thanks Richard Hawtin, Tom Duffy, Sammy Lever, Ollie Ludgate, Caitlin Price, Grace Hardy, Harry Parker, Lenny Newby, Lucas Peacock, Tom McIlvain, Jake Payne, Jayden Jessop and Cooper Orr. Through the club's participation in the event, Rotary donated \$2000 along with a rescue board. It was a fantastic initiative and one we will certainly look to continue supporting into the future.

The offseason was additionally defined by a strong U14s cohort, who showed significant enthusiasm throughout the year. Winter training featured a successful offseason gym and board preparation program, led ably by Tom Duffy and Sammy Lever which laid a great foundation heading into the patrol and competition season.

For our Opens, the offseason was defined by gruelling long-distance training in preparation for the Coolangatta Gold. A massive congratulations to Harry Parker, Bree Coates, Jade Needham and Millie Hosie for taking on this challenge and representing Freshwater with determination throughout their preparation.

Off the back of this, we launched into one of our largest events of the season, our September Youth Weekend Away. In another perfect turn of events, we enjoyed a stunning weekend of waves, beach, boards and lifesaving. Our first day was spent exploring and surfing around the beautiful Sugarloaf Point and Seal Rocks, before spending the second day alongside the junior members of Pacific Palms, sharing lifesaving skills and inspiring the next generation. A massive thanks to Jerrad and the team at Pacific Palms SLSC for their hospitality throughout the weekend.

With increased attendance came additional accommodation challenges, although it was fantastic to see 18 participants attend camp this year. A huge thank you to Cheryl White, Paris Giannakis and Ian "Crash" Cradock for supporting the weekend as adult supervisors, and to Lindsay and Steve Davis for once

again generously donating their beautiful property free of charge. Furthermore, thank you to Sammy and Kirra for playing a massive role assisting with the logistics and coordination of the weekend.

Across patrol operations, it was great to see a steady flow of youth members continuing to upskill throughout the season. Please refer to the Education Report for further information.

Beyond Freshwater, it was encouraging to see how a stronger focus on the communication of development pathways led to increased participation in the many external opportunities offered through Surf Life Saving and other sporting organisations, helping our youth members build leadership skills and develop valuable cross-club connections.

Notably, Eloise Parker attended Surf Life Saving NSW's first 18–25 Program in over a decade. Into the new year, it was fantastic to see our women continuing to lead the way, with Isabelle Stapf-Giannakis attending the SLSNSW Emerging Volunteer Leaders Program.

Freshwater was also proudly represented by Audrey Lonngren and Jayden Jessop at the Surf Life Saving Sydney Northern

Beaches Junior Lifesaver of the Year program. Our youth lifesavers have never been more skilled, with Tyler Liebetrau, Audrey Lonngren, Emily Isaacs and Charles Berry all attending the SNB Ahead of the Wave lifesaving development program. At a national level, it was fantastic to see Isabelle, Samantha, Grace S and Kelly D represent Freshwater in the seventh Women's Mentoring Program cohort facilitated by Surf Life Saving Australia. Beyond the world of surf life saving, Samantha Lever was also successful in gaining selection into the highly competitive Australian Institute of Sport's Women Leaders in Sport workshop.

Diving into the realm of surf sports, a targeted recruitment program over the offseason helped bolster our youth lifesaving competition numbers, delivering some fantastic results across the board thanks to the hard work of our lifesaving coaches, Kelly Dobrow, Lindsay Davis and Cheryl White. It was great to be able to field six youth teams throughout the season, an increase on the previous year.

Beyond lifesaving competition, our Board Swim Ski program experienced significant growth across the Youth Division (U14s), creating one of the most competitive and

enthusiastic groups seen in recent years. The success of this group has been a testament to Tom Duffy's personable connection with the kids and the continual effort he puts into their development. Despite a slight decline in the open Board Swim Ski sections, retention generally remains steady, with a focus on growing the older sectors of the club to continue into next season.

The season closed with our long-awaited SRC Youth Development Camp at the surf club. A group of fourteen enthusiastic SRC members got a taste of the many opportunities that Surf Life Saving has to offer, including boats, boards, IRBs, RWCs, UAVs, first aid and even a session on the infamous Supsquatch, thanks to Whale Beach for kindly lending it to us. Encouragingly, it was fantastic to see many repeat participants from last season, demonstrating the continued improvement in retention across the youth program.

A massive thanks to all the parent helpers across the weekend. A special thanks to Andre Liebetrau, Mel Orr, and Alison Newby for assisting in filling the exhilarating overnight supervisor shifts.

Looking into the upcoming offseason, big training plans are already underway in preparation for the Coolangatta Gold, alongside many innovative social events currently in the works. As always, if you have any suggestions or would like to get involved, please don't hesitate to reach out.

Thanks again to the youth of Freshwater for your dedication, not only to lifesaving, but also across the many diverse disciplines our surf club spans.

I've thoroughly enjoyed another year in this role, and it has been promising to see increased retention rates across our youth age groups, setting the stage for another strong season ahead.

Joshua Orr
Director Youth Development

Surf Sports Report

Well, what a season it's been, Firstly I want to thank the section captains for their support and feedback. In no particular order, they are Ross Parry (March Past), Lindsay Davis (lifesaving) Josh Orr, Tom Duffy and James Coates (Youth and Open BSS), Gaven Needham (Masters BSS) Seb DiSano (R&R), Andrew McMinn and Tristan Kavanagh (Boats).

From there we have Carla Thornton and Richard Hawtin on speed dial (just kidding).

Our Education Team led by Kelly Dobrow did a fabulous job arranging proficiency and training to get the season off to a smooth start.

We then rely on Dave Price, John Lo Schiavo, James Crittenden and the whole Water Safety Team, especially this year with the BIG fish about.

Heading into Carnivals, we have Official quotas to meet along with work parties, catering and first aid requirements.

Shanny, Michael Kirkby, Paul Stormon, Michael Bate, Al Burns, Jamie Scott and the EC have been a great help.

So, as you can see the Sports Section is reliant on many areas to enable the athletes to compete and we thank everyone involved.

Capping off the season with 2 Reserve Boat Gold Medals as well as the 260 men. It is astonishing to see 3 Aussie Golds in Boats!

Well done Nathan Perry and the crews, it's been a long time coming but now history has been made.

Across the board there has been some outstanding memories made this season, starting with the Coolangatta Gold and some pre-season trips away.

Followed by our own cluster of Carnivals which some were not permitted to go ahead due to surf conditions and "Fish", including running Lifesaving for SNB Branch Titles.

Results were plentiful as you will see, perhaps some standouts being the Reserve Female Boat Crew being named in the NSW State Team, then it's inspiring to see our medal hall from State which starts with the Nippers and Youth leading through to Opens & Masters.

The momentum carried through to Aussies and we weren't disappointed, in fact one of the biggest surprises was Andrea winning the clubs first Long Board Gold Medal in 60-69yr age group.

What a great cross section of athletes and we wish you well for the future ahead.

Here's to a continued transition of Nippers & Youth, hopefully with a few parents to the senior club.

Ian 'Crash' Cradock
Director Surf Sports

March Past Report

We started this season scratching for a team. We saw two great ladies joining the side Kelly Marsh and Anna Block. They fitted into the side and were both a bonus in our competition.

Unfortunately, there are limited carnivals attracting March Past. Manly, Freshwater (cancelled), Collaroy, Branch, State and Aussies.

The side competing was;

Sue Walmsley
Kelly Marsh
Wendy Quail
Dave Inches
Dave Torevell
Rachel Needham
Judy Bennett
Geoff Lowe
Andrew Murphy

Libby Murphy
Ross Parry
Wayne Freakley
Jane Freakley
Jo Kirkby
Anna Block
Chris Tyrrell

We were competing through the season with as follow;

Manly – 4th
Collaroy – 1st
Branch – 3rd
State – 2nd (After initially been given 4th and error was found in score card and after a prolonged effort by one of our coaches Gary Cook we were officially given 2nd and medals presented.)
Australian - 9th
(This was after numerous count backs.)

I would like to thank those who stepped up

during the season as we had a fractured side and were constantly calling on reserves.

Jane Freakley, Wayne Freakley, Geoff Lowe, Jo Kirkby and the Australian Championships we had to call on Chris Tyrrell. Thank you all. Their help was immense especially Jo who drove to Swansea for the State, after a late withdrawal.

Special thanks to our coaches Gary Cook and Ray Isaacs who were with us all the way and were amazing help.

We are always seeking new Members. Michael Bate has shown interest next season. He will be our Poster Boy!

Looking forward to the Team showing the flag next season. Thanks to everyone this season for a job well done.

Ross Parry

Sunday Surf Race

Numbers were down again this season unfortunately but will hopefully improve next season. We had 34 individual starters but need more to make it sustainable. We are hoping to get more involvement from the under 14 years next season which will ensure we continue this time-honoured event.

The results for this year are as follows;

President Cup

Sam Jones

Don (Bullet) Henderson Cup
(total points during season for Board Racer)

Sam Jones

Jock McPhee Award

(total points first three races)

Chris Pendray

Alex McPhee Award

(total points last three races)

Sam Jones

Congratulations to Sam and Chris and all competitors during the season thanks to Mike Kirkby and IRB Crews for their continued help on Sundays.

Hope to see you all next season.

R&R Report

“You’re only retired until you get an offer you can’t refuse”

The campaign season of 2026 was a turbulent and disrupted season. Both planned and unplanned adventures locally and globally to treasures including Japan ski fields, the Rwanda jungle and the Coffs Harbour Banana farms impacted both the competition and training schedule of the team.

As a result, opportunities to train and more importantly opportunities to compete were limited. The two carnivals on the calendar included the State and Australian Titles. Thus teams would have to perform with limited opportunity.

This year, our teams competing consisted of:

Open Men’s 5 Person:
Pat Kiely, Hugo Weston, Seb Di Sano, Ian Donald, Chris Tyrell
(Coach Wayne Freakley)

Open Mixed 5 Person:
Ian Donald, Jarrad Freakley, Wayne Freakley, Jane Freakley, Clare Freakley (Coach Chris Tyrell)

Open 6 Person:
Seb Di Sano, Hugo Weston, Pat Kiely, Ian Donald, Chris Tyrell, Jarrad Freakley
(Coach Wayne Freakley)

State titles returned to Swansea Belmont which enabled the team to travel away from home for the weekend, often regarded as the best part of competing. Freshwater entered

both the Open 5 Man and the Open 6 Person events. Conditions were favourable for competitors. Securing a car park in close proximity to the competition area ensuring only a short reel carry was a good omen for the day ahead. Teams were provided with some entertainment prior to the commencement of events with Dave Torevell managing to bog the SLSA car in the middle of the competition area. It is difficult enough to ensure the reel is placed level on the sand and you stand with your heels together though the crater that remained from digging out the ute meant an additional obstacle to manage. Without a coach, it would be difficult to ensure the team was appropriately prepared for their events. Fortunately Jarrad took it upon himself to step up on the day and guide the boys through. His inspirational words on the start line and implementation of activities such as throwing a tennis ball ensured the team managed to keep their composure, in particular Chris Tyrell who found himself in a 30cm deep pothole early in the event. In an extraordinary effort, the boys managed to complete the double gold, with 1st place in the Open 5 Man drilling 0 points, and 1st place in the Open 6 Person event, earning a healthy bell around the neck. Celebrations were warranted and the team enjoyed beers, Keno and INXS despite some limited by splitting headaches.

The next opportunity to compete was at the Australian Titles, held at Kirra Beach. On arrival, the team were treated to some spectacular waves peeling from the point of Rainbow Bay all the way down to Kirra. R&R competition was down the north end,

meaning quite a lengthy carry of the reel from the trailer area, upon reflection perhaps a bad omen. All events were straight finals meaning only a single opportunity to impress judges. Freshwater entered teams in the Open 5 Man, Open Mixed and Open 6 person events. The Open Mixed team were search for their fourth consecutive gold medal in what would be an unrivaled feat. Conditions were again favourable with a classic Kirra gutter and sandbank out towards the second break. All three teams achieved 3rd place in their respective finals against quality opposition. Special mention must go to the patients who individually took out each of their patient swims. Thanks to all friends and family who came down to support throughout the day.

As always, a special thankyou to coaches Wayne Freakley and Chris Tyrell for their work throughout the season. Thankyou to Jarrad Freakley for stepping in and producing results as player/coach at the State Titles, perhaps giving consideration to an upgrade in his future responsibilities. I would also like to thank our officials Jane Freakley, Bob Asser and Sue Troy who allow each carnival to run smoothly and represent Freshwater with great pride. To the team, I hope that next season brings a more filled roster of training, events and simulations so when that whistle is blown in an Australian final, we’re ready.

To be continued,

Seb Di Sano

Surf Boats

The Freshwater Surf Boats section had one of its best rowing seasons in a long time this year.

We had 5 teams compete throughout the season:

- Freshwater Worms – U19 Male
- Freshwater Freaks – Reserve Female
- Freshwater Pig's – Reserve Male
- Freshwater Pen 15's – Reserve Male
- Freshwater Spring Chickens – 260 Masters Male

It was great to have at least two crews at most carnivals, making carting the boats easier and the tent a lot more entertaining.

For the championship events, this meant we had:

- 3 teams at Branch, State, and the Aussie Short Course
- 4 teams at ASRL and Australian Championships

This depth across all levels is a credit to the section, and a reflection of the consistency and commitment everyone brought throughout the season.

Results

Of those teams, we finished with:

- 2 Branch medals – Silver for the Reserve Men (Pen 15's) and Gold for the Reserve Female;
- 3 State medals – Bronze for the Reserve Male (Pigs), Silver for the Reserve Female, and Gold for the Spring Chickens
- 2 ASRL medals – Silver for the Freaky-Pigs (Mixed Division) and Gold for the Masters (Spring Chickens)
- 3 Australian Gold medals – Gold for the Reserve Male, Gold for the Reserve Female and Gold for the Masters.

In addition to Gold for the Reserve Female and Bronze for the Reserve Male at the Australian Short Course event.

Across all major competitions, this is a seriously impressive medal haul and highlights the strength of the Freshwater boats program right now.

A special mention to the Reserve Female (Freaks) crew on their NSW team selection – a great achievement, and even better to see them defend the Australian Interstate Championship title.

Spring Chickens 260 years Masters

An amazing year for the 260 year masters, winning 3 gold medals from the 3 events entered. First was the ASRL at Wanda, this day was in particularly windy weather and won all 3 races on the day.

The State Titles saw us only row and win the one race as it was called off due to lightning delays.

At the Australian Championships after sitting out 2 days due to large surf, the team got on the water for a heat and final winning both races.

Ending the season with 3 golds and undefeated in any race for the year.

Acknowledgements

A big thank you to the Executive Committee and everyone around the club who supported the boats section whether it was behind the scenes, on the beach, or helping get crews to the line each weekend.

We'd also like to thank our sponsors, including Titan Ford and the Harbord Hotel, for their continued support. It makes a genuine difference to what we're able to do as a section. Having transport and the correct gear goes a long way on big race weekends.

A mention as well to Nathan Perry. Your contribution doesn't go unnoticed and is greatly appreciated.

It was an awesome season, and we're looking forward to continuing to build this great club section with the support of Freshwater SLSC into the future.

Tristan Kavanagh

Masters

Freshie Masters have had another busy and successful season both on and off the beach. The season started for most of the Masters contingent in October with the Coolangatta Gold where we had a very successful event with Michael and Ben Kirkby winning their respective age groups in the individual event, along with some good results in the teams events also. We then moved on to Australia's best and longest running masters carnival - the annual Freshie Masters where once again a great event was run where unfortunately our friends over the hill at Manly were just too strong on sheer numbers and retained the Ross Parry Cup. Off the beach a special thanks to the March past team for cooking the BBQ and handsome Dave Inches and Rich Hawtin for manning the bar to ensure we retain our reputation as the best masters event on the calendar both on and off the beach.

Given the proximity to New Year's Day this year we only had one team representing Freshie this year at the annual Sir Adrian Curlewis Palm Beach masters where we had a good result with our team finishing 3rd in our division in some tricky conditions.

Moving onto championship season and it was a great return to the Freshie tent for Branch and State champs from Sigi Hill who picked up where he left off a few seasons back with some great swims to win the surf race at Branch culminating in what some are calling the most dominant board rescue win ever with yours truly in the 50-54 state board rescue title. Overall at state we had a successful event finishing 11th overall on the pointscore.

Aussies were once again up at Kirra and conditions for the individual day were very large and testing with very hot conditions on day one, with teams day bringing even bigger surf again resulting in the wiping out of any benefit of killers favourite 4 minute efforts at Manly Dam as races were held in the gutter with many board and ski legs being completed in just over one minute.

We had many great performances across the championships but some of the highlights were Ariki Pearson who recently joined Freshie winning the 50-54 iron and placing 3rd in the 2k beach run, John deMestre winning the surf race and the 2k ocean swim, Ben Kirkby winning the 35-39 ski and getting bronze in the board and double ski

with Killer, Andrea Bohm winning the 60's board riding and the team of John deMestre, James Coates and Chris Pendray defending the 170 men's surf teams championship in a very close race. Another highlight was Freshies own super sub Chris Tyrrell jumping back into masters competition with some great swimming in the 190 Taplin on teams day enabling us to ensure we could get most of our competitors into a team for the Taplin relays- much appreciated Squirrel!

Overall freshie finished 14th overall on the pointscore punching well above our weight and had our second highest score ever haul of gold medals from an Aussies.

Outside the competition area the masters continue to be the main backbone for the club in supporting the numerous events across the year as well as supporting many of the club activities through officiating, taking gear trailers and coaching.

Thanks to the many club members who support the masters also and here is looking forward to another successful season in 2027.

Gaven Needham

Lifesaving

The 2025/2026 season wraps up with many exciting memories and great achievements for our team.

Champion Patrol

This season we did not have a Champion Patrol Competition team for the first time in a number of years. Gap years, new careers and university commitments made it difficult to find six club members available to make the commitment needed. I hope that in the future it may be possible to reestablish a team either in U17 or Open.

Champion First Aid

Kelly Dobrow and Cheryl White started training our new younger competitors earlier this season focussing on a different area of first aid treatments each week and gradually introducing scenarios. With up to 14 young people in attendance every Wednesday their patience is remarkable! The more experienced competitors joined in later in the season.

Congratulations to all teams who competed with such great enthusiasm at all the Championships.

We were able to field several U14 and U15 teams however no U17 or U19 which was disappointing. Many competitors from last season were having a gap year after the HSC so we hope to see them back next season. We fielded a number of Open teams, sometimes doing a mix and match depending on availability. Once again Julia and Tahlia have proven that if you have nailed the basics you can continue to build on that experience year on year!

New competitors OF ALL AGES are welcome to join in!

Champion Lifesaver

Our small team of champion lifesavers was a mix of experience and newbies. Our youngest competitors – Harrison, Cooper, Audrey and Emily- learnt a lot in a short space of time as did a group of Masters women – Kelly, Jo and Cheryl - who decided to give Champion Lifesaver a go. Josh and Sammy led the way in Opens. Clare Freakley continued her formidable performances of the past 15 years to win Silver in the 30-39 Masters at Aussies only half a point behind 1st Place

Lifesaving Competitor of the Year - Samantha Lever

Sammy competed in both Champion First Aid and Champion Lifesaver. Her results in the very competitive Open Female were very good and her dedication to First Aid also saw good results at Branch, State and Australian levels. Sammy also assisted with organisation of gear and equipment for the Championships, encouraged and assisted youngers members and was an exemplary

member of the Freshie lifesaving competition team.

Gratitude

We had great support from many people in running the Branch Championships at Freshie and that made my job easier as Carnival Referee. Special thanks to amazing club members Richard Hawtin, David Price, John Lo Schiavo, Michael Bate, Shanny Dyer and James Coates. To all who helped out with water safety – incredible, can't thank you enough!

The Lifesaving Surf Sports team was well supported by Ian 'Crash' Craddock throughout the season. Special shout out to James Coates who helped with the transport of gear and equipment to State and Aussies taking a lot of pressure off myself and the competitors.

Thanks to Kirra Budd for taking on the role of Team Manager for Lifesaving at the Aussies.

Special thanks to Paris Giannakis for officiating at lifesaving at all three Championships which ensured we met club quotas. Competitions don't happen without officials, and everyone should consider if they can assist by becoming an official. Youth officials welcome!! Cheryl, Paris, Kelly and I would happily support anyone looking to become involved in this area.

Twenty seasons have come and gone since we first started lifesaving competition at Freshie (not including IRB). Over those years many members have participated in lifesaving events with varying degrees of success. All of them have developed critical first response skills that have been used on patrol and in everyday life, with many continuing on to become health care professionals. I have been honoured to be part of their journey.

Lindsay Davis OAM
Lifesaving Team Mentor

BRANCH CHAMPIONSHIPS HELD AT FRESHWATER 28/1-1/2/2026

U14 Champion Lifesaver Female	3rd	Audrey Lonngren
U14 Champion Lifesaver Male	2nd	Jayden Jessop
	3rd	Cooper Orr
U15 Champion Lifesaver Female	5th	Emily Isaacs
30-39 Champion Lifesaver Female	1st	Clare Freakley
50+ Champion Lifesaver Female	2nd	Cheryl White
	3rd	Kelly Dobrow
Open Champion Lifesaver Female	3rd	Sammy Lever
Open Champion Lifesaver Male	2nd	Joshua Orr

60+ Champion Lifesaver Female	2nd	Jo Kirkby
	3rd	Cheryl White
Open Champion Lifesaver Female	3rd	Sammy Lever
Open Champion Lifesaver Male	2nd	Joshua Orr

Swim, Board, Ski Report

The 2025/2026 Board, Ski, Swim season saw the continued success of the integration of our U14 competitors into the 'Opens' Board Ski Swim Squad, as the club continues in a development and regrowth phase of the surf sports program.

The start of the season focused on continuing our work over winter to build on our group of U14-Open competitors, with training sessions held Monday-Thursday each week, and a Saturday morning session. The winter and pre-season program focused on the U14 competitors transitioning from Nippers boards to Racing Mals and some cross training involving gym, running and swimming sessions.

The first event of the season for our Opens competitors was the Coolangatta Gold. Bree Coates, Jade Needham, Millie Hosie and Harry Parker travelled up to Coolangatta to compete in the individual Short Course event. A special mention to Millie who won the 20-29 Female Category and Jade who finished 3rd in the 20-29 Female Category.

Our competitors attended a large number of local carnivals throughout the season, including the Sydney Northern Beaches Fast 5 Carnival series, Wanda SLSC Carnival, Dee Why Bennett Junior Craft Carnival, Freshwater Bennett Junior Fast & Furious Carnival, Long Reef Junior Carnival, Wamberal SLSC Junior Iron Person, Manly Nipper Nat and Manly Open Carnival.

Our competitors also attended all Championship Carnivals for the 2025/2026 Season, including the SLSSNB Branch Championships at Queenscliff, SLSNSW State Championships at Swansea Belmont and Aussies at North Kirra, QLD. The squad performed well with some strong individual and team performances. A full list of carnival results is available at the end of the report.

Unfortunately, for the second year in a row, unfavourable weather and surf conditions impacted the running of the Australia Day Weekend Carnivals. The Manly Opens Carnival was run with an amended program in large and challenging surf. Unfortunately, the weather and surf conditions continued to deteriorate throughout the weekend, and, despite an early decision to relocate the Freshwater Carnival to Manly Beach, the carnival was cancelled due to dangerous conditions.

SLSSNB Branch Championships were held at Queenscliff, with a strong contingent of U14 & Opens competitors competing across the weekend. It was fantastic to see our Opens competitors competing on Saturday in a number of individual and teams events, particularly our Board Relay, Taplin and Double Ski teams. Our U14, who competed the following day, had an excellent Carnival, with a number of outstanding individual and team results and several placings in finals. Special mentions to Lenny Newby who won the U14 Male Board, Darcey Herd who won the U14 Female 2km Beach Run, Sophie Yeates who won the U14 Female Beach

Sprint and Beach Flags, Piper Branchley who finished 2nd in the U14 Female Swim, 2nd in the U14 Female Beach Sprint, 2nd in the U14 Female 2km Beach Run and 3rd in the U14 Female Ironwomen, Harrison Burrough who finished 3rd and Florance Warren 3rd in Beach Flags.

The SLSSNB Branch Championships also saw some excellent teams results. A special mention to our Gold Medal winning teams:

U14 Male Boys Board Rescue
(Lennox Newby & Jake Payne)

U14 Male Board Relay
(Harrison Burrough, Lennox Newby & Jake Payne)

U14 Female Beach Spirit Relay
(Piper Branchley, Florance Warren, Darcey Herd & Sophie Yeates)

U14 Male 2x 1km Relay Beach
(Lennox Newby & Jake Payne)

U14 Female Surf Team
(Piper Branchley, Florance Warren, Darcey Herd Eva Langley)

SLSNSW State Championships returned to Swansea Belmont this year, allowing the group to tour for State Championships. A large group of U14 competitors, supported by parents and coaches, travelled to Swansea Belmont for four days of competition in fantastic conditions. The Squad also enjoyed staying together at Ingenia Holiday Park Lake Macquarie. Special mentions to Darcey Herd- Silver in the U14 Female 2km Beach Run, Darcey Herd & Piper Branchley- Bronze in the 2x 1km Beach Run Relay, to the U14 Female Surf Team (Piper Florance Darcey & Violet) who finished 3rd and the U14 Male Board Relay Team (Harrison, Lenny, Tom) who finished 3rd

Our Opens competitors travelled back to Swansea Belmont the following weekend for the Opens Championships, again staying together at Ingenia Holiday Park Lake Macquarie. Our Opens competitors enjoyed competing in some fun and challenging surf conditions. A special mention to Zaylee Zouroudis who won the U15 Female 2km

Beach Run.

Aussies, which returned to North Kirra, saw the continuation of the 'Youth' weekend, with a large contingent of U14 and U15 competitors competing, supported by parents and coaches. A special mention to those competitors and teams who made finals, an exception effort in very tough competition.

A small, but committed group of Opens competitors competed at Aussies, after assisting over the Youth Championships. The surf conditions were challenging during the first few days of the carnival, seeing the program amended several times, with many events cancelled. Despite the challenges, the team enjoyed their week and performed well, racing in a number of individual and team events.

Commendably, despite their own competition, our Opens competitors have also spent the season coaching our Nippers and working hard behind the scenes to continue to grow the program and mentor our younger members.

I would like to take this opportunity to specifically thank our coaching team, in particular, Head Coach, James Coates, who continued in the coaching role this season, spending countless hours on the beach most afternoons with our competitors. Thanks also Michael Kirkby who continued the infamous 'Monday afternoon Dam Sessions', which remain very well attended and provide a great opportunity for the Youth, Opens and Masters BSS squads to train together.

I'd also like to specifically thank everyone who officiated and provided water safety at local and Championship carnivals during the season, without those members, our competitors would not have been able to compete. A sincere thank you.

Finally, thanks also to everyone who assisted with logistics, craft, entries, training and supporting our Board Ski Swim Team throughout the season. We look forward to another enjoyable & successful season in 2026/2027.

See you on the beach.

Tom Duffy
Youth & Opens BSS Team Manager

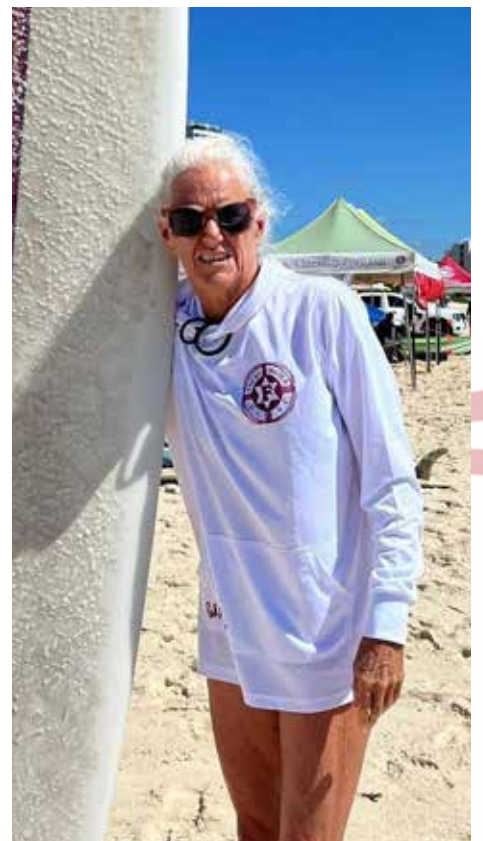

Board Riding Report

Opens Aussie Surf Report

Bree Coates surfed well in challenging conditions at Aussies making it through to the semifinals. Bree only needed one more good score to proceed however competition was tough. Unfortunately she came up against Kirra Molner, an Australian longboard representative who also competes in WSL events. Kirra went on to not only win Bree's semi but was the Gold medal winner in the final. Bree can feel very proud of her results! Go Bree 2027

The Masters Surfing competition was rescheduled to Wednesday with the arrival of the mega swell and relocated to South Palm Beach to handle the six foot waves. With a strong sweep and dangerous rips it suited a Freshie contender. A starting lineup of 11 surfers became a straight final of 4. A tough fought final but with an early high scoring wave under her belt and some experience in surfing strategy Andrea was proud to represent FSLSC to win the Gold. A club that is rich in surfing history and surfing representation at Aussies.

Surf Sports Events

In Season 2025/2026 the following Surf Sports Events were scheduled and organised by Freshwater SLSC.

Event Name

Freshwater Boat Carnival

Masters Carnival

Freshwater Bennett Board (Nippers)

Australia Day Weekend Open Carnival

Barney Mullins Swim

Date

8 November 2025

22 November 2025

23 November 2025

18 January 2026**

9 February 2026**

Unfortunately due to weather conditions the Open Carnival in January had to be cancelled and was not able to be rearranged.

The Barney Mullins swim was postponed from its originally scheduled date and took place on 12th April.

Further detail for each event above is provided in the appropriate section summary in this Annual Report.

State Events

The Club was the venue for SNB Championship Patrol, Lifesaving and First Aid events from Wednesday 28th January to Sunday 1st February 2026.

Officials:

Freshwater continues to provide Officials at

both local and State levels across the breadth of Surf Sports events – Board/Ski/Swim, R&R, Boats, Lifesaving and March Past. Michael Bate, Lindsay Davis, Bob Asser provide their extensive experience “at the pointy end” of key events at Branch and State level. These are supplemented by Richard Hawtin as Referee and Sectionals at Nippers level, the Freakleys (collective) and Sue Troy for R&R, Lindsay Davis and Kelly Dobrow (Lifesaving), Michael Kirkby, Paris Giannikis (Board/Ski/Swim) and Sue Walmsley for Boats. All of the above are thoroughly supported by the numerous others who fill the roles of judges, marshals and starters across numerous carnivals with specific note being made for the Nippers parents who are able to provide a large portion of the officials quota for the Bennett Board Carnival in November – a great achievement! Many thanks to Toni Cadden

and Sam Rojas for organising the officials for the Nipper carnivals over the season.

A special thanks must go to James Crittenden who has continued to perform this season the role of Emergency Services Officer (ESO) not only for our Club events but also the State events held at Freshwater.

Special mention is made to Michael Bate (Deputy Carnival Referee) and James Crittenden (Safety and Emergency Management) at the 2026 Australian Championships held on the Gold Coast.

A final message to all club members is to please consider becoming an official – it is very rewarding and without club members volunteering to perform this role the Surf Sports events will not occur.

Open Carnival

For the second successive year, weather conditions were a major influence on the scheduled running of the 2026 Freshwater Australia Day Open Carnival on Sunday 18 January.

The forecast weather conditions in the week leading up to the event meant a decision was made on Friday that the event was to be held at Manly. This decision was made “early” to assist the competitors in their planning for the weekend.

Saturday came and saw both strong surf

conditions and heavy rainfall (especially overnight Saturday). The Club, Sydney Northern Beaches SLS and Northern Beaches Council did their utmost to try and ensure there was a carnival on Sunday. Unfortunately, just about every factor turned against us and we had to cancel the event - we did not make this decision without investigating all feasible options, and unfortunately the event was cancelled at 6.00am on the Sunday morning.

We doubt there would have been any location

we could possibly use anywhere on the Northern Beaches on the day that could have run an event.

The Club did try and investigate whether a carnival of some sort could be held over the subsequent weeks but this was eventually ruled out as a feasible possibility.

We thank the following naming right sponsors, Cunninghams Real Estate, Mat Lemon, James Brooks, APG & Prime Constructions for the events if they occurred.

Freshwater Boat Carnival

Freshwater Boat Carnival – Saturday 8th November 2025

The annual Freshwater Boat Carnival was SNB Round 1 on the Boat Calendar.

We had our largest number of entries for some time, being 80 crews.

It was exciting to see New Brighton come across the ditch from NZ specifically to compete along with crews from Sydney and South Coast Branches.

Conditions were favourable with a 11am high tide and small surf.

This year we had Reserve men and women along with our U19 men racing. It was extremely pleasing to see the Freshie Pigs and Freshie Freaks both winning the Reserve grade Division (a good omen as it turns out).

A big congratulations to Tristan Kavanagh. for sweeping his first carnival with the U19s in hopefully the first of many carnivals.

Many thanks must go to Emily Lemlin for her years of being First Aid Coordinator for the Club.

Mia Glasson in her First full season rowing kindly took over from Emily in the role.

As always, a huge thank you to everyone that was involved in bringing the Carnival together for yet another successful event.

I'd like to thank all our major sponsors which includes our event sponsor Harbord Hotel for the wonderful afternoon we had back at their fabulous venue sampling our community sponsored Freshwater Brewing product.

Alongside Harbord Hotel and Freshwater Brewing a big thankyou goes out to Titan Ford and Perry Surfboats for the ongoing support.

Ian Cradock

Masters Carnival

Freshwater Masters Carnival - November 2025

Freshie Masters have had another busy and successful season both on and off the beach. The season started for most of the Masters contingent in October with the Coolangatta Gold where we had a very successful event with Michael and Ben Kirkby winning their respective age groups in the individual event, along with some good results in the teams events also. We then moved on to Australia's best and longest running masters carnival - the annual Freshie Masters where once again a great event was run where unfortunately our friends over the hill at Manly were just too strong on sheer numbers and retained the Ross Parry Cup. Off the beach a special thanks to the March past team for cooking the BBQ and handsome Dave Inches and Rich Hawtin for manning the bar to ensure we retain our reputation as the best masters event on the calendar both on and off the beach.

Given the proximity to New Year's Day this year we only had one team representing Freshie this year at the annual Sir Adrian Curlewis Palm Beach masters where we had a good result with our team finishing 3rd in

our division in some tricky conditions.

Moving onto championship season and it was a great return to the Freshie tent for Branch and State champs from Sigi Hill who picked up where he left off a few seasons back with some great swims to win the surf race at Branch culminating in what some are calling the most dominant board rescue win ever with yours truly in the 50-54 state board rescue title. Overall at state we had a successful event finishing 11th overall on the pointscore.

Aussies were once again up at Kirra and conditions for the individual day were very large and testing with very hot conditions on day one, with teams day bringing even bigger surf again resulting in the wiping out of any benefit of killers favourite 4 minute efforts at Manly Dam as races were held in the gutter with many board and ski legs being completed in just over one minute.

We had many great performances across the championships but some of the highlights were Arika Pearson who recently joined Freshie winning the 50-54 iron and placing 3rd in the 2k beach run, John deMestre winning the surf race and the 2k ocean swim, Ben Kirkby winning the 35-39 ski and getting bronze in the board and

double ski with Killer, Andrea Bohm winning the 60's board riding and the team of John deMestre, James Coates and Chris Pendray defending the 170 men's surf teams championship in a very close race. Another highlight was

Freshies own super sub Chris Tyrrell jumping back into masters competition with some great swimming in the 190 Taplin on teams day enabling us to ensure we could get most of our competitors into a team for the Taplin relays- much appreciated Squirrel!

Overall Freshie finished 14th overall on the pointscore punching well above our weight and had our second highest score ever haul of gold medals from an Aussies.

Outside the competition area the masters continue to be the main backbone for the club in supporting the numerous events across the year as well as supporting many of the club activities through officiating, taking gear trailers and coaching.

Thanks to the many club members who support the masters also and here is looking forward to another successful season in 2027.

Gaven Needham
Carnival Organiser

Bennett Fast & Furious

The annual Freshwater Bennett Board Carnival was once again successfully held on Saturday, 23 November 2025. The event attracted an impressive 359 registrations across all age groups, from Under 9 through to Under 14, representing 14 Surf Life Saving Clubs. This strong participation highlights the continued growth and popularity of the carnival within the junior surf lifesaving community.

With the support of our Junior Activities Committee, we were proud to provide prize packs for each age group, recognising 1st, 2nd, and 3rd place in the Individual Board events, as well as podium finishes in the Ironperson competitions. These awards helped celebrate both individual achievement and the spirit of competition demonstrated throughout the day.

The carnival was made possible through the generous support of our sponsors. Bennett Boards once again played a key role, donating three boards across different categories, foam, fibreglass, and racing mal, as well as contributing vouchers to the prize pool. We also sincerely thank Okanui, a major sponsor this year, for their significant contribution to prize packs, along with the valued support of Wahu, Blessed Bowls, and McDonald's. Without the commitment of our sponsors, we would not have been able to recognise competitor achievements to the extent that we did.

To ensure the smooth running of the day and keep everyone informed and engaged, we were pleased to have Greg "Punchy" Punch return as our event MC, bringing energy

and clarity to proceedings, with 'occasional' confusion.

We were especially proud to see strong performances from our own U14 Nippers. Lennie Newby delivered an outstanding result, taking 1st place in the Individual Board event, while Club Captain Piper Brechley achieved an impressive 2nd place in the Individual Board and 3rd place in the Ironperson.

Overall, the 2025 Freshwater Bennett Board Carnival was another highly successful event, showcasing not only the skills and dedication of our young athletes but also the strength of community support that underpins its ongoing success.

Michal Brechley
Carnival Organiser

Barney Mullins Swim

This year saw a return to its roots for the Barney Mullins Swim. After a disappointing cancellation of the public event, the members only swim was a great success.

40 swimmers lined up on a beautiful beach day, for a 1.2km swim in the warm, clear water of Queenscliff Bay (apparently that's what it's called..).

The course was set for 4 half-laps of the bay, with the usual start in Kiddies corner. Out to the pool and across to the southern end of the clubhouse and back twice, then back in at the north end.

We had a number of swimmers join from the youth group, who seemed to enjoy themselves, as well a good mix of old and new members line up for the swim.

A dozen or so chose to do the short course (out to the pool and back in), with the remainder in for the long haul. Conditions were great for swimming, but the wind did start to pick up which made for some chop to contend with on laps 3 & 4. Seemed like the turning buoy got further away as we swam..

The lead changed hands a number of times during the race and ultimately came down to a wave at the end with Chris Pendray taking home the big prize of the Barney Mullins Shield.

A sausage sizzle and short presentation was held in the back courtyard after the swim, with a good day had by all.

Thanks to those who swam, special thanks to Pricey for water safety and can setting, Richard Hawtin, Peter Block and James Coates for jumping on rescue boards as well. And a big thank you to those on the BBQ for us.

Next year sees the 40th anniversary of the first Barney Mullins Swim and we hope to make it a memorable event.

Yours in swimming,

Andrew de Vries
